
CURRICULUM VITA

Keith R. Cruise, Ph.D., M.L.S.

Fordham University
Department of Psychology – Dealy 334
441 East Fordham Road
Bronx, NY 10458
Phone: (718) 817-3883
FAX: (718) 817-3785

CURRENT POSITIONS

2006
to
Present

Assistant Professor
Fordham University
Department of Psychology
Bronx, New York

Responsible for teaching a combination of undergraduate and graduate courses in the Department of Psychology with a general emphasis on clinical psychology and specific focus on clinical-forensic psychology. Additional responsibilities include providing research and clinical supervision to graduate students in the clinical psychology doctoral program.

2002
to
2006

Assistant Clinical Professor of Public Health
Louisiana State University Health Sciences Center
School of Public Health, Juvenile Justice Program
New Orleans, Louisiana

Responsible for the coordination of research activities conducted within the Juvenile Justice Program (JJP). Facilitate development and implementation of research with program faculty and staff in medical, mental health assessment, mental health treatment, and training divisions. Serve as the program research liaison to the LSU Health Sciences Center and the Louisiana Department of Office of Youth Development. Serve as chairperson of the JJP Psychology Committee that is responsible for professional development of psychology staff in the areas of training, research, and continuing education. Clinical responsibilities include a combination of direct service and consultation in the areas of assessment and treatment of adolescent juvenile offenders served by the LSUHSC-JJP.

2003
to
Present

Adjunct Assistant Professor of Psychology
Department of Psychology
University of New Orleans

Responsible for supervision of graduate students from the Applied Developmental Psychology program who serve as research assistants for the Juvenile Justice

Program or who are engaging in research with justice-involved youth. Also serve on qualification exam and dissertation committees as well as provide guest lectures for graduate level courses.

EDUCATION

- 2000** **Doctor of Philosophy**
University of North Texas
Denton, Texas
Major: Clinical Psychology
Dates: August 1995 – August 2000
- 1997** **Master of Science**
University of North Texas
Denton, Texas
Major: Psychology
Dates: August 1995 – May 1997
- 1995** **Master of Legal Studies**
University of Nebraska College of Law
University of Nebraska-Lincoln
Lincoln, Nebraska
Major: Legal Studies
Dates: August 1993 – May 1995
- 1993** **Bachelor of Arts**
University of Nebraska-Lincoln, Lincoln, Nebraska
Major: Psychology
Minor: Criminal Justice
Dates: August 1989 to May 1993

J.** (1994). *Mock jurors' experiences with and attitudes toward child abuse: Influences on verdicts in parricide cases involving the "battered child syndrome" defense*. Presented at the American Association of Behavior Therapy, San Diego, CA.

Cruise, K. R., & Lyons, P. M. (1994). *Children's perceptions of physical abuse: Implications for policy and treatment*. Presented at the biennial meeting of the American Psychology-Law Society, Santa Fe, NM.

CLINICAL AND FORENSIC POSITIONS

2002
to
2006

Clinical Psychologist and Clinical Supervisor
Juvenile Reception and Diagnostic Center
LSUHSC Juvenile Corrections Program
Baton Rouge, LA

Responsible for conducting intake mental health evaluations of youth court-ordered to secure custody. Serve on multidisciplinary assessment teams that include psychology, social work, and psychiatry staff. Developed and train clinical staff in evaluation protocols used to assess sexually offending youth. Provide consultation to juvenile probation and parole officers, corrections personnel, and attorneys. Provide continuing education training to program staff on assessment issues.

2001
to
2002

Clinical Supervisor
Forensic-Clinical Psychology Program
Department of Psychology
Sam Houston State University
Huntsville, Texas

Responsible for the clinical supervision of graduate students completing practica activities at the SHSU Psychological Services Center. Supervision responsibilities included individual and group supervision of both assessment and therapy cases. Clinical work involved a combination of general clinical activities as well as juvenile forensic evaluations.

2000
to
2002

Psychotherapist
ADAPT Counseling
3418 Mercer Suite 100
Houston, Texas

Responsibilities include conducting intake evaluations, serving as a co-therapist for a preadolescent sexual offender group and parent psychoeducation group. Conduct individual and family therapy with adolescent sexual offenders and families. Also serve as a consultant for research and program evaluation.

RESEARCH EXPERIENCE AND ACTIVITIES

2002
to
2004

Site Coordinator
Mental Health and Juvenile Justice: Building a Model for Effective Service Delivery
National Center for Mental Health and Juvenile Justice
Delmar, New York

Served as a Site Coordinator for local data collection as part of a multi-site, multi-state, research project examining prevalence rates of mental illness among youth in the juvenile justice system. The project was conducted by the National Center for Mental Health and Juvenile Justice through a federal grant received from the Office of Juvenile Justice and Delinquency Prevention. Responsible for supervision of ongoing data collection activities, development and monitoring of project budget and sub-contracts, maintaining contact with project investigators, and serving as liaison to the local Institutional Review Board

2000
to
2002

Principal Investigator
Effectiveness of a Multidimensional Assessment of Risk in Adolescent Sexual Offenders
Faculty Enhancement Grant
Sam Houston State University
Huntsville, Texas

Received a competitive grant (\$4,565) to fund an evaluation of the utility of general and specific risk assessment interviews in predicting treatment outcome and recidivism in adolescent sexual offenders.

2000
to
2002

Research Supervisor
Forensic-Clinical Program
Department of Psychology and Philosophy
Sam Houston State University
Huntsville, Texas

Facilitated a research team is comprised of graduate students in the Forensic Clinical Program and also undergraduate psychology students. The team collected data investigating the developmental model of psychosocial maturity in juvenile offenders and the ability of the model to

predict antisocial behavior. This model was also investigated in conjunction with cognitive factors to predict juvenile offenders comprehension and understanding of the Miranda warning. Other ongoing studies included prototypical analysis of adolescent psychopathy in juvenile justice personnel and a review of state statutes outlining procedures for waiver and reverse waiver of juvenile defendants.

TEACHING EXPERIENCE

2006
to
Present

Assistant Professor of Psychology
Department of Psychology
Fordham, University
Bronx, New York

Teaching responsibilities for both graduate students enrolled in graduate training programs in the Department of Psychology and undergraduate students (majoring in psychology or enrolled in undergraduate psychology courses).

Graduate Courses: Psychology and Juvenile Justice

Undergraduate Courses: Law and Psychology, Introductory Psychology, Abnormal Psychology

2000
to
2002

Assistant Professor of Psychology
Forensic-Clinical Psychology Program
Department of Psychology
Sam Houston State University
Huntsville, Texas

Teaching responsibilities for both graduate students enrolled in the Forensic-Clinical Psychology training program and undergraduate student psychology majors.

Graduate Courses: Ethics in Clinical and Forensic Practice, Forensic-Clinical Seminar, Developmental Psychopathology, Forensic Practicum, Psychometrics II (Intellectual Assessment)

Undergraduate Courses: Introduction to Psychology – Honors Section; Developmental Psychology, Psychology Seminar: Antisocial Behavior, Psychology of Adolescence

2001
to
2002

Faculty Supervisor
Graduate Teaching Assistants
Department of Psychology
Sam Houston State University
Huntsville, Texas

Created a teaching excellence program for masters and doctoral level graduate student teaching assistants in the department. Program has included training of graduate student teaching assistants, supervision of course development, and facilitating the introduction of electronic teaching resources.

WORKSHOPS PRESENTED

- 2005** *Characteristics of Female Incarcerated Youth and Mental Health Subtyping of Delinquent Girls*
Mental Health CE presentation to LSUHSC Juvenile Justice Program Staff
- 2004** *Assessing and Meeting the Treatment Needs of Sexually Offending Youth*
Training presentation for the 2004 Louisiana Annual Conference on Juvenile Justice
- 2004** *General Principles of Risk Assessment*
Mental Health CE Presentation to LSUHSC Juvenile Corrections Program staff
- 2003** *Clinical Characteristics of Sexually Offending Youth*
Mental Health CE presentation to LSUHSC Juvenile Corrections Program staff
- 2003** *Working with Sexually Aggressive Youth*
Workshop presented to attendees of the annual conference of the Louisiana Juvenile Detention Association
- 2003** *Differential Diagnosis Among the Disruptive Behavior Disorders in Juvenile Offenders*
Mental Health CE presentation to LSUHSC Juvenile Corrections Program staff
- 2003** *Does Treatment Work for Adolescent Sex Offenders*
Pediatric CME presentation to LSUHSC Juvenile Corrections Program staff
- 2003** *Sexually Aggressive Youth: An Overview of Characteristics, Assessment, and Treatment*
Workshop presented at University of Texas Southwestern Medical School
- 2003** *Working with Sexually Aggressive Youth*
Workshop presented to staff of the Miami-Dade Juvenile Assessment Center Project
- 2002** *Texas Juvenile Probation Commission Juvenile Annual Sex Offender Probation Officer Training Conference*
TJPC/TDCJ Sex Offender Supervision Standard Survey
- 2001** *Sam Houston State University Department of Psychology Forensic Psychology Workshop Current Issues in Assessing and Managing Risk of Violence*
Juvenile Sex Offenders
Risk Assessment in the Schools
The Violent Offender
The Mentally Ill Juvenile
- 2001** *ADAPT Counseling Training Institute for Sex Offender Treatment*
Risk Assessment in Adolescent Sexual Offenders: Current Knowledge and Clinical Applications

CONSULTING ACTIVITIES

- 2006 to Present** Consultation services provided to Louisiana State University Health Sciences Center Juvenile Justice Program toward ongoing research development and mental health programming for youth within the Louisiana secure custody system.
- 2006** Provided monitoring services to the State of New Mexico Office of Children Youth and Family Services, via subcontract with Dr. Pamela McPherson, in response to ACLU agreement concerning mental health services provided to youth in New Mexico's secure custody system.
- 2004 to 2006** Served as the primary clinical consultant to the Louisiana Office of Youth Development Intensive Juvenile Sex Offender Treatment Program. Activities included developing the clinical program description, training of security and treatment staff, developing group curricula, and providing staff development and case review.
- 2003** Served as a clinical consultation to the State of Louisiana Office of Risk Management regarding the drafting of new judicial guidelines and training for judicial review of juvenile offenders' capacity to waive right to counsel.
- 2001** Co-authored two review papers for the National Institute for Victims Studies on post-traumatic stress disorder in children and adolescents and post-traumatic responses in victims of the Oklahoma City bombing.
- 2001** Research consultant for the Texas Juvenile Probation Commission conducting data analysis and producing a report of a survey evaluating the need for universal standards of probation supervision for juvenile sex offenders.

PROFESSIONAL AFFILIATIONS

- 1992 to present** American Psychological Association
1992 to present American Psychology - Law Society
2000 to 2001 North Atlantic Personal Construct Network

EDITORIAL POSITIONS

- 2006** Consulting Editor, *Assessment*

PROFESSIONAL DEVELOPMENT

- Dec 2006** Notification of Full Licensure University of the State of New York Education Department Office of the Professions
