In gratitude

In the Examen, St. Ignatius Loyola invites us to begin in gratitude – to name those things for which we are most grateful, those things which arise easily and fill our hearts – and cultivate a spirit of gratitude for the gifts of God that are present in our everyday lives. As we begin to wind down our academic year with final exams, end of year programs and even graduation for some, a return to the posture of gratitude is fitting here as well. For Campus Ministry it has been a rich year, with many wonderful retreats, programs, service opportunities and liturgies – all animated by the Holy Spirit and given light and life by the gifts, talents and generosity of so many students, faculty and staff – you! You have given us the opportunity to see God more clearly and be present to God’s mystery in our daily lives. Please accept our gratitude for all of your many efforts and a year well done!

Take a moment now to dwell in gratitude. Ask yourself - what are you grateful for? Where have you encountered God’s loving and limitless grace? And how might you cultivate a spirit of gratitude, in word or deed, in response? Is there something you would like to be mindful of, or a person to whom you might share a word of thanks? This is both our challenge and our invitation: if we begin in gratitude and are sustained by gratitude, it will carry us forward to whatever lies ahead, giving us the freedom to look to the future with hope and joy. And for this, we are grateful. AMDG.

On their behalf, we would like to thank the Fordham community for its kind generosity.

We each have our vocation - the thing to do is answer the call.
We each have something to give.
