Dear Employer,

Fordham Law School and the Career Planning Center would like to invite you to participate in our upcoming Spring Recruitment Program. There are three options to recruit Fordham Law Students during the Spring semester:

1. The Spring On-Campus Interview Program (Spring OCI);
2. The January Resume Collect Program; or
3. Posting a Job in our Online Job Bank.

All three recruiting options offer employers 100% selection of students to be interviewed and are offered without a registration fee.

**Special Note re First-Year Evening Division Students:** At the end of the academic year, some students will transfer from the first-year evening program to the first-year day program, taking classes during the summer session to fulfill requirements. If you are able to consider these students, please indicate this in the Notes section of your schedule request.

### 1. Spring OCI

This program primarily facilitates employer interviews for summer positions with first-year J.D. students. We also welcome employers interested in interviewing our upper-division J.D. students for summer or post-graduate positions.
