# PROJECT PACTS SCHOLARSHIP

Make a Difference in Your Community through Fordham University

PACTS: Preparing Affirmative Collaborative Teachers for Students with High-Intensity Intervention Needs in Elementary Schools

- We are looking for educators who are passionate about making a difference in the lives of the children they teach, and are interested in making a lasting impact in the community they serve.
- This scholarship will provide significant tuition support to educators who are certified in elementary education, and would like to add a certification in special education (30-credit MSE, grades 1-6).
- As part of Project PACTS, students will become highly qualified professionals in interdisciplinary collaboration, school consultation, and treatment of severe behavior and learning disorders.
