Session II: Export Control Workshop
11:00 am-12:00 pm: O’Hare Special Collections Room in Walsh Library at Rose Hill

Chair: Kris Wolff, Director of the Office of Sponsored Programs

Keynote Speaker: Dr. Jennifer Saak, Managing Director of Traliance

Dr. Saak has 20 years of experience in export controls compliance and scientific research. She has provided compliance solutions to top U.S. research universities, leading academic medical centers, non-profit research organizations, and a wide variety of industrial companies. Her expertise is in export control risk assessments, commodity and technology classifications, training, deemed exports, and business process improvements. Previously, Dr. Saak worked as a Technical Trade Compliance Leader of a multi-national petrochemical company and served as a research engineer for General Electric. Dr. Saak is an active speaker and instructor for several organizations. She has 7 U.S. and international patents, 6 technical publications in peer-reviewed journals, and multiple management and innovation awards. Dr. Saak earned a Ph.D. in materials science and engineering from Northwestern University and a B.S. in materials science and engineering from Cornell University.

 mê 12:00 – 12:30 pm – Lunch in the O’Hare Special Collections Room
