The MS in Management at the Gabelli School of Business focuses on responsible business practices and creative managerial problem-solving that produces benefits for all. Students explore innovative business solutions that allow them to contribute to their industries—and the world at large—with a civic-minded approach.

APPLIED AND EXPERIENTIAL LEARNING

- Guest speakers from socially responsible and innovative companies
- Career coaching and executive mentoring

EXTRACURRICULAR ENGAGEMENT

- Fordham Net Impact represents a new generation of business leaders who want to use their careers to solve the world’s toughest sustainability challenges.
- Research Centers:
  - The Center for Humanistic Management
  - Social Innovation Collaboratory
- Professional Associations: Net Impact NYC, NY+Acumen, SASB

GLOBAL IMMERSION

Global Immersion is an intensive course that provides students with insights into the context of business innovation. Students visit an international city and gain exposure to the community, politics, and economy through coursework, and company and cultural visits.
