When is the right time to call?
That’s up to you. Counselors are here whenever you need them — whether you simply need to talk or want guidance on something you are going through.

Is my Employee Assistance Program included with my MetLife coverage?
Yes. There is no cost to you because your employer pays for the services provided within our program. While we offer a broad range of services, there may be some assistance that’s not included. You can still work with counselors for these services by arranging to pay for them directly.

Does the program have any limitations?
While we offer a broad range of services, we may not cover all services you may need. Your Employee Assistance Program does not provide:
• Inpatient or outpatient treatment for any medically treated illness
• Prescription drugs
• Treatment or services for intellectual disability or autism
• Counseling services beyond the number of sessions covered or requiring longer term intervention
• Services by counselors who are not LifeWorks providers
• Counseling required by law or a court, or paid for by Workers’ Compensation

*MetLife and LifeWorks abide by federal and state regulations regarding duty to warn of harm to self or others. In these instances, the consultant may have a duty to intervene and report a situation to the appropriate authority.

Some restrictions may apply to all of the above-mentioned services. Please contact your employer or MetLife for details.
