Fordham University Financial Aid: Please consult with your financial aid counselor and refer to the Study Abroad Guidelines to determine the portability of your financial aid package. After you have been approved to study abroad by ISAP, we will send you a Financial Worksheet that estimates the cost of your semester(s) abroad.

Fordham per-term tuition charges cover the Fordham in London programs; Fordham in Granada; Fordham in Pretoria; and Exchange Programs' tuition. Given a student's continuing eligibility, all Fordham financial aid will be portable for these programs except room-specific aid, work-study, and Metro Grants. Tuition Remission, Tuition Exchange, and FACHEX will continue in place for the above-mentioned programs. For all other ISAP Programs:

Portable Aid: Fordham Financial Aid will be prorated and cannot exceed the actual aid you would be eligible for if in attendance at Fordham. Aid is subject to the following caps: 1) up to \$5,000 per semester for full year study at sponsored programs; 2) up to \$3,000 per semester for one-term study at sponsored programs in Africa, the Far and Middle East, Eastern Europe, Scandinavia, and Latin America; 3) up to \$2,250 per semester for one-term study at other sponsored programs.

Non-Portable Aid: tuition benefits obtained through FACHEX, Tuition Exchange and Tuition Remission are not portable for these programs. Metro Grants, room-specific aid and work-study are also not portable.

For all study abroad programs, as long as all eligibility requirements are met, students may apply their Pell Grant, NYS TAP Grant, and student loans toward study abroad charges.

* The cost estimates listed above are for the 2019-2020 academic year. Generally, costs for the 2020-2021 academic year will be 5%-7% higher than the costs listed here. Please plan accordingly.
