Fordham’s London Centre is located in Clerkenwell, a vibrant and central neighborhood of the city, within walking distance to St. Paul’s Cathedral, the Barbican Centre, and King’s Cross St. Pancras Rail Station.

The London experience begins with a comprehensive orientation that acquaints students with health, housing, travel, academic, and safety information. Following Orientation, the Centre organizes a series of activities as part of Welcome Weekend (your first weekend in London) and these activities may include small group walking tours of London as well as events for the wider student group, such as a Boat Cruise. Program costs typically include co-curricular activities in and around the city of London.

Student Affairs/Events and Activities
Each semester, the Student Affairs team prepares a program of optional social events, trips, and visits to theatre or sporting matches, otherwise known as their ‘social calendar’. In addition to these programs, the student programming committee will release tickets and plan events throughout the semester in and around the city that participants will not want to miss. Past activities include Bingo Nights, London Eye tickets and England soccer tickets.

London Centre Trips
London Centre sponsored trips are day-long excursions or weekend trips subsidized by Fordham for you. Past London Centre trips include a Stonehenge and Bath Day Trip, Lake District Hiking Weekend, Windsor Castle and Eton Day Trip, and a Wales Preseli Adventure Weekend which included surfing, sea kayaking and other activities. Students can expect to receive their social calendar in advance of their study abroad semester so that they can sign up for events and organized trips in advance.

Program Trip
As part of your study abroad experience, a weekend trip is included with our Gabelli Business and Liberal Arts programs. These trips are considered a key component of your study abroad program and the costs are covered by your program fees, except for personal spending money. Past program trips have visited cities such as Rome, Lisbon, and Vienna.

Housing
Student accommodations are located in residential areas of Central London within an easy commute to the Fordham London Centre. All accommodations are apartment-style with students sharing twin or triple bedrooms. Please note that some rooms have bunk beds. Flats include at least one bathroom, a living space with couches, television and dining table, and a generous-sized kitchen. All flats have wireless Internet access. The kitchen includes a refrigerator, a washer-dryer, and appliances such as a toaster, microwave, kettle, pots, pans, plates, bowls, cutlery, glasses, and mugs.
