

Learn to Read Programs

This Summer!

Program for 4-Year-Olds & Entering Kindergartners

In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will practice reading simple words and short sentences, experiencing success at every step. The wonderful books, engaging games, and exciting activities will get your child really excited about books and reading.

Program for Entering 1st Graders

Your child will learn to read independently in this fun summer program. Children learn phonics and sight words and build comprehension skills. Your child will develop a love of books and reading and get off to a great start in first grade.

Go Places with Books!

Reading Skills Programs

Programs for Entering 2nd-5th Graders

In these programs, students build core decoding skills and learn to read more fluently and rapidly. They develop strong comprehension and expand their vocabulary. Your child will become a more confident student, enjoy reading more, and develop the lifelong habit of reading for pleasure.

FORDHAM

School of Professional and Continuing Studies

The great books, inspiring teachers, and effective live online instruction your child needs to become a strong reader!

Programs are offered through Fordham School of Professional and Continuing Studies. Programs are taught by instructors from the Institute of Reading Development. Tuition varies by program level. Please ask about our family discount.

"My son loved this program! He had a lot of fun with the phonics games and activities. This has really made a difference – he is reading!"

– Parent of 4-year-old

"Thanks to this program, my son is now reading independently and his confidence is through the roof. I cannot express enough how grateful I am for this program."

– Parent of 1st grader

"My daughter is sounding out words on her own, and she is so excited about reading to us! She loved doing the lessons, and I was very impressed with the books and materials."

– Parent of kindergartner

"I would like to thank you for such a positive outcome with my son James. He always looked forward to jumping on the computer as soon as he had time, and now he's actually asked to go to the library to pick out more books!"

– Parent of 5th grader
