

Posting Date: 07/11/2022

COLLEGE/DIVISION	Arts and Sciences
DEPARTMENT/AREA	Biological Sciences
TYPE	Non-Tenure Track
TITLE	Lecturer

POSITION DESCRIPTION

Applications are invited for a non-tenure track Lecturer position in the Department of Biological Sciences at Fordham's Rose Hill Campus in the Bronx, New York, for Fall 2022. This position has an initial appointment of one year with the possibility of renewal contingent upon performance, availability of resources, and the needs of the department.

Lecturers' duties consist of teaching four (4) sections each semester. Candidates must have earned a Ph.D. in some area of Biological Sciences and have shown potential for excellence in undergraduate teaching. Candidates should be willing to teach up to two evening courses each semester if asked to do so.

HOW TO APPLY

The Department of Biological Sciences values diversity among its members, is committed to building a diverse intellectual community, and strongly encourages applications from all underrepresented groups. Further details about our department may be found at <https://www.fordham.edu/biology>.

Applicants should email a cover letter and curriculum vitae to franks@fordham.edu. Address the cover letter to Dr. Steven Franks, Chair, Department of Biological Sciences, Fordham University, Bronx, NY 10458. Review of applications will begin immediately and continue until filled.

Fordham is an independent, Catholic University in the Jesuit tradition. Diversifying its faculty and curriculum is at the heart of the mission and vision of Fordham University. We are committed to an application process accessible to individuals with disabilities and encourage applicants to request any needed accommodation(s). Fordham is an Equal Opportunity Employer, committed to diversity in all dimensions.
