

**49th Annual
International Antitrust Law and Policy Conference
+ Antitrust Economics Workshops
September 14-16, 2022**

For 49 years, the Fordham Competition Law Institute has presented the annual International Antitrust Law and Policy Conference, which is widely recognized as one of the premier events in the field. The conference explores recent developments in national and international antitrust law — and offers opportunities to network with influential leaders from competition authorities and private practice, academia, and the judiciary.
