Over the course of September, we will be hosting mandatory Diversity, Equity, and Inclusion training sessions for the academic year.

These sessions will be led by Marion Cloete of MC Consulting Services. Ms. Cloete provides consulting services for colleges, universities, independent graduate schools, and public agencies. Her work focuses on equity, identity, and intercultural ethics in legal education and in legal practice. She collaborates with administrators to customize strategies for transformation in the area of diversity, equity, and inclusion. She has served as a leader in ABA law school DEI since 2002.
