

2015 NEASECS Conference Travel Budget (October 8-10th)

Item	Information	Cost
NEASECS Conference Registration	Fee included participation in conference, entry to banquet, and transportation to and from hotel and conference site.	\$95
Amtrak to and from Hartford	This was the most direct method of travel, especially since I had to take a late train after teaching. I chose the least expensive options for Amtrak (off-peak times, coach, etc).	\$88 (\$44 each way)
Hotel Room	Conference organizers booked rooms for the conference at a discounted rate of \$119 per night. I shared a hotel room with a graduate student colleague, halving the nightly cost for a total of 2 nights.	\$119 (2 nights at half-price due to sharing).
Total		\$302
