Fordham University Photo ID Cards

Fordham University ID Card
General Information
Fordham ID cards function as your official University identification. You will have one ID card for your entire career at Fordham, based on information provided by Enrollment Services and Human Resources, and distributed by the various graduate and undergraduate schools during their respective orientations.

Students’ ID cards are prepared in advance of their expected arrival. Newly admitted students must upload a photo in the New Student or Student tab in the University portal, my.fordham.edu. Students must have registered for their courses and be cleared to attend classes by the University in order to receive their ID cards. Generally, only your school or the Office of Academic Records will be able to update your records to a cleared status.

Faculty, administrative, and other non-student IDs are pre-printed for later distribution and are based on current Human Resources records. Walk-up traffic is accommodated daily or on an as-needed basis in the Copy/Mail/ID Center (Room G13) at Westchester. New employees receive specific instructions on how to obtain their cards from Human Resources during the hiring process.

Student ID
Your Fordham ID card is more than just an identification card; it’s an essential part of campus life at Fordham University. Keep it with you at all times and guard your card as you would any important document.

Important functions of your ID card include:

Identification
With your picture on the front and your account information magnetically encoded on the back, your ID card functions as your official University identification card, instantly identifying you as a fully privileged member of the University community, and should be carried with you at all times.

Library Privileges
Using University libraries is a big part of
your life as a Fordham student. With your ID card you can access the William D. Walsh Family Library at the Rose Hill campus; the Gerald M. Quinn Library and the T.J. and Nancy Maloney Law Library, both located at the Lincoln Center campus; and the Westchester Campus Library. The card is also used to set up an on-campus printing account at the libraries and other campus locations.

**Lombardi Memorial Center Privileges**
You can use your Fordham University ID card to gain access to the Lombardi Memorial Center athletic complex on the Rose Hill campus. To inquire about additional privileges, call 718-817-4260.

**Special Discounts**
Your ID card also makes you eligible for student discounts at various museums, movie theaters, on- and off-Broadway theaters, and other cultural attractions in New York City. Some neighborhood businesses offer discounts if you show your Fordham University ID card when making a purchase.

**Lost or Stolen ID Cards**
Should your card be lost or stolen, please go immediately to my.fordham.edu to deactivate it using the Report a Lost or Stolen ID button located in the Photo ID Services channel under the Student Life tab (or, for employees, the Human Resources tab). University records will be updated and Fordham’s Department of Public Safety notified once you have completed the transaction. Please keep a record of the date and time you entered the transaction and the transaction confirmation number.

If you are unable to access the University portal, you can report the lost or stolen card to Fordham’s Public Safety department at 718-817-2222. In either case, immediately report your card lost or stolen—avoid risk to yourself and other students.

Replacement cards are available from the ID Card Center (G13) on the Fordham Westchester campus during regular business hours. There is an initial $20 fee for replacing a lost or stolen ID card. There is a $30 fee for every subsequent occurrence or request. The fee may be waived for replacing a broken or damaged ID card, but the defective card must be turned in to a staff member at the time of the request. The ID Card Center does not accept payment directly; you simply fill out a form and you will be billed later.
