- GSB and PCS Saturday Courses Saturday, May 09, during regular meeting time

- GSB students enrolled in Business Core courses may have final exams that will deviate from this schedule. Please consult your instructor or the GSB Dean’s Office for more information.

- If your course does not abide by the above listed meeting blocks, yet overlaps with one of them in some way, the final exam may be at the exam time listed above for the overlapping block, or on the same day and time as the class would normally meet. This will be determined in April.

- Courses that start after 5:00 p.m. are scheduled during the exam week on their usual day and time. Students who are enrolled in such courses should note that it is possible to have three exams scheduled for one day.

- Faculty members who teach evening classes that fall on a reading day have their discretion to hold class on the reading day or reschedule it at another time. Evening classes should meet a total of 15 times including the final exam.

- A more detailed final exam schedule will be available from Academic Records in April. Consult the Enrollment Services website prior to exams for room assignments.
