What Do I Need to Do to Receive Financial Aid?

1. File the Free Application for Federal Student Aid (FAFSA)

Filing the FAFSA is the first step to determining your eligibility for all financial aid programs. Follow the steps below to complete your FAFSA:

- Secure a Federal Student Aid ID (FSA ID).
- We encourage using the IRS Data Retrieval Tool (DRT) to transfer 2015 federal tax information into your 2017-2018 FAFSA, if eligible. This simplifies the FAFSA filing process.
- The Department of Education will send your Student Aid Report (SAR) via email. Read all of the messages on your SAR and keep it for your records.
- The Office of Student Financial Services may request additional documents or information. Please only submit documentation to Student Financial Services when specifically requested.

2. Complete & Submit the Enrollment Form on Page 7

Submitting the Enrollment Form provides us with your enrollment plan for the year. It helps determine your eligibility for financial aid administered by Fordham University and ensures your Cost of Attendance is correct. Some types of aid require additional steps. Please see the specific details about the different types of aid you may be eligible to receive on pages 3 & 4.

3. Apply for NY State Tuition Assistance Program (TAP), Part-Time TAP or APTS (New York State Residents Only)

New York State residents will be prompted to complete a TAP application upon successfully submitting the FAFSA. You can also file the TAP application on the web anytime at HESC’s website ([www.hesc.ny.gov](http://www.hesc.ny.gov)). There is a separate application for part-time students.

TAP funding is determined by the New York state legislature annually. We suggest all New York state residents apply for TAP. Fordham’s TAP code is 0245.

See page 3 of this guide for further details about TAP, Part-Time TAP and APTS.

4. Ensure You Meet the Academic & Enrollment Criteria for Federal Loans

To be eligible for a Direct Subsidized/Unsubsidized Loan, you must be:

- enrolled at least half-time (6 credits) in a degree granting program
- making satisfactory academic progress

Your high school diploma or recognized equivalent of a high school diploma, such as a GED, must be submitted to the PCS admissions office before you can receive financial aid.

5. Accept Your Awards After Receiving Your Award Notification

You should receive an award notification within four weeks of the completion of your financial aid application. A complete application includes responding to requests for any additional information from the Office of Student Financial Services. First time students will be sent a paper award notification by mail. Continuing students will receive their award notification by email. We encourage all students to accept or decline their aid and/or loans at [my.fordham.edu](http://my.fordham.edu).
Grant Programs

**Pell Grant**
- The maximum annual Pell Grant award for 2017-18 is $5,920 for students enrolled full-time (12 credits per term).
- Eligibility is determined by your Expected Family Contribution (EFC) as calculated from FAFSA data and the number of credits for which you enroll each semester.

**University Grant in Aid**

Minimum Award: $500  
Maximum Award: $6,400 for Full-Time

Fordham offers University grant funding based on the number of credits for which you are enrolled each term, GPA, financial need and availability of funds at the time.

**What do I need to do in order to be considered for the grant?**
1. File a FAFSA.
2. Send in your completed Enrollment Form which is on page 7 of this guide.
3. Enroll for at least six credits.

This grant is renewable each year as long as you are making satisfactory academic progress as defined by your program of study; you are enrolled at least half-time and have filed a valid FAFSA. The amount of the grant may be decreased if you demonstrate less financial need (as determined on FAFSA) or when enrollment is for fewer credits.

**New York State Tuition Assistance Program (TAP)**

**Full-Time TAP:** For students enrolled in 12 or more credits per term, the estimated maximum award is $5,165.

**Part-Time TAP:** For students enrolled between 6 and 11 credits per term after earning 12 credits or more in each of the two prior consecutive semesters, the maximum award is a percentage of the full-time TAP award based on credits.

TAP funding and individual awards are determined by the New York State legislature and New York State Higher Education Services Corp. (HESC) annually. We suggest all NYS residents studying full-time apply for TAP.

Upon completion of your FAFSA, you will receive a submission confirmation. If you are a NYS resident and listed Fordham on your FAFSA, you will immediately be prompted to complete your TAP application. You can also file the TAP application on the web anytime at HESC’s website (www.hesc.ny.gov).

Eligible students will receive a TAP award notification directly from HESC. The award is based on NYS net taxable income. Fordham University must be listed on the award notification. If Fordham University is not listed on the notification, a TAP change form must be completed. **Fordham's TAP code is 0245**

**New York State Aid for Part-Time Study (A.P.T.S)**

For students enrolled between 3 and 12 credits per term, the maximum award is $2,000 per year.

Funds are limited and are awarded to eligible students with completed applications until funding is exhausted. A completed New York State tax return is also required with your application. **Funds can only be awarded within 30 days of the end of add/drop.** The award is based on NYS net taxable income, academic performance, availability of funds, and number of credits. Students should apply prior to the start of classes for A.P.T.S. The application is on the Forms & Worksheets section of our web page.
### Federal Direct Subsidized / Unsubsidized Loan Information of 2017-2018 School Year

#### Program Description
- For Subsidized Loans, the federal government pays (subsidizes) the interest for you while you are enrolled at least half-time.
- For Unsubsidized Loans, the interest which accrues during in-school periods may be paid by the student or it will be capitalized (added to the principal) at repayment. Students are not required to make payments on federal loans until after their in-school and grace periods are over.
- Independent students and dependent students whose parents have been denied for a Federal Parent PLUS Loan have additional unsubsidized loan eligibility (see table below).

#### Eligibility
- A valid FAFSA is required.
- You must be enrolled at least ½ time or certified as at least ½ time in a degree or eligible certificate program.
- No credit check is required.
- Eligibility for Subsidized Loans is need-based.
- Eligibility for Unsubsidized Loans is not need-based but amounts borrowed must be within the student’s cost of attendance.

#### Interest Rate
Interest rate is fixed for the duration of the loan. The 2017–2018 interest rate is 4.45%.

#### Fees
There is a 1.069% origination fee deducted by the Department of Education from each Direct Subsidized/Unsubsidized Loan Disbursement.

#### Lifetime Loan Limit
$57,500 for Undergraduates (up to $23,000 can be subsidized for Undergraduates).

#### Grace Period
After you graduate, leave school, or drop below half-time enrollment, you have a one-time six month grace period. You are not expected to make any payments during this period. If you previously used your grace period, you will not be eligible for another grace period.

#### Repayment
Beginning 6 months after graduation or when you drop below half-time enrollment if you have not used your 6 month grace period. Begins immediately if you drop below half-time enrollment if you have already used your grace period. You may be assigned a repayment plan when you begin repayment but you can change repayment plans at any time. We encourage you to explore all of your options.

### Direct Loan Repayment Options

You have a choice of repayment plans designed to meet your needs. The amount you pay and the length of time to repay your loans vary depending on the repayment plan you choose. Although you may select or be assigned a repayment plan when you first begin repaying your student loan, you can change plans at any time.

**Standard** - This is the default repayment plan. You pay a fixed monthly amount and have up to 10 years to repay your loan.

**Graduated** - With this plan, your repayments start out low and increase every two years. The length of your repayment period will be up to ten years.

**Extended** - You will pay a fixed annual or graduated repayment amount over a period not to exceed 25 years. You must have more than $30,000 in outstanding federal loans to qualify.

**Income-Based, Income-Contingent, Pay As You Earn & Revised Pay As You Earn** - The monthly payment is capped based on income and family size. Your remaining balance after 20 – 25 years of repayment (based on your plan) may be forgiven if you meet all federal requirements.

See [studentaid.ed.gov](http://studentaid.ed.gov) for details on repaying your federal student loans.
