Mental Health Counseling Master's Program Requirements (60 Credits) *(The specific schedule is subject to change and you need to look up classes each semester.)*

Students Name: ___________________________ Date Matriculated: __________ Advisor: ___________________________

Student's Signature: ___________________________

**Please make sure to include semester and year of completion for courses required prior to beginning internship.**

0 Credit Requirements
- EDGE 0210 Recognition and Reporting of Child Abuse

* Students need to complete their required 600 hour internship hours during the Fall and Spring (PSGE 6651 and PSGE 6653) courses. They need to complete an elective course. The elective course must be taken from the Division of Psychological and Educational Services and must be approved by the student's academic advisor.

**Minimum GPA Requirement**
Students in master’s and most professional diploma programs must maintain a B (3.0) grade point average (GPA) or higher, to continue in their programs and to graduate, unless otherwise specified. For students in Ed.D. and Ph.D. programs, a B+ (3.5) GPA or higher is required. Students' academic records are reviewed throughout their programs. If a student’s grade point average falls below the requirement, the School may require additional, alternative, or remedial coursework, or other measures to assist the student to improve his/her academic record. Failure to improve or to maintain the required GPA may result in termination of a student’s matriculation.

**NOTE:** ☆☆☆☆☆ TWO COURSES ARE TO BE TAKEN TOGETHER IN MODULE YOU NEED TO LOOK UP CLASSES EACH SEMESTER TO ENSURE THERE ARE NO SCHEDULING CONFLICTS.
