LECTURE AND WORKSHOP ON

Governance and Trust in Healthcare Innovation: Ranking new drugs and pharmaceutical companies on ethics and transparency

With Jennifer Miller PhD

Dr. Miller is Assistant Professor in the Division of Medical Ethics at NYU Langone Medical Center’s Department of Population Health. Prior to joining NYU’s faculty, Dr. Miller was a fellow in Harvard University’s Edmond J. Safra Center for Ethics, a George C. Lamb Regulatory Governance fellow in Duke University’s Kenan Institute for Ethics and Fuqua School of Business, as well as a GHIM fellow in Fordham University's Schools of Business. She created an index that ranks pharmaceutical companies and new drugs on ethics and population health criteria and has appeared on CBS, Fox News, and NPR.
