MS IN BUSINESS ANALYTICS

Businesses are awash in data—creating a growing need for professionals who can turn that information into profitable decisions. The STEM-designated MSBA program at the Gabelli School of Business prepares students to apply leading-edge models, methods, and tools to data in ways that help companies to clearly see the road ahead.

THE GABELLI EDGE

DISCOVER GABELLI
Learn about the Gabelli School’s unique culture, values, and community by participating in Discover Gabelli, our admissions engagement experience.
Visit Fordham.edu/visitGSB, and sign up for a Discover Gabelli On-Campus event in the heart of New York City for a tour, a classroom visit, a counseling session, a conversation with current students, or all of the above!
If you’re not able to join us on campus, you can Discover Gabelli Off-Campus at one of our admissions events around the globe.

COFFEE CHATS
Join a member of the admissions committee in a casual and relaxed setting to learn more about our program, the admissions process, and the overall Gabelli experience!
To sign up for a Coffee Chat, go to Fordham.edu/visitGSB

CAREER PATHS
Analytics Consultant, Big Data Analyst, Data Scientist, Data Warehousing Architect, Information Assurance Specialist, Predictive Modeler, Risk Analyst

TOP EMPLOYERS
Amazon, Booz Allen Hamilton, Cognizant, Deloitte, DISH Network, IBM, JPMorgan Chase, McKinsey Consulting, TD Ameritrade

BUSINESS WITH PURPOSE
Profit is no longer enough. The global marketplace demands business leaders who can create transformational change, innovating and contributing to the greater good all at once.
It’s called business with purpose. It stems from our Jesuit roots, and it’s how we cultivate leaders who have a lasting impact.

STUDENT RESOURCES

WORKSHOPS AND GROUP SESSIONS
March Data Crunch Madness competition
Research-focused Design Lab
Curriculum collaboration with industry advisors and alumni
Coursework and supplementary workshops in latest software, including Python, Tableau, Spotfire, and SAS

FORDHAM BUSINESS ANALYTICS SOCIETY
Students develop professionally and find career opportunities by connecting with analytics industry leaders. The society also provides educational resources and events, among them its annual IBM Business Intelligence Case Competition.
