English Department - Dissertation Proposal Checklist

1.	Within two weeks of passing the Ph.D. Comprehensive Exam, <i>Student</i> identifies and confirms a dissertation mentor. <i>Student</i> sends email to mentor–copying the graduate administrator (GA) and the Director of Graduate Studies (DGS)–and asks the mentor to reply to all (GA, DGS, and student) so the department has a record of the mentorship.	
2.	Mentor replies to all from Student email for department confirmation.	
3.	Student registers for the respective semester's Proposal Development ENGL 0950 (PD).	
4.	Student and Faculty Mentor decide on 2 nd and 3 rd committee members for the Dissertation.	
5.	When all three members of the committee agree that the proposal is acceptable, <i>Student</i> emails the <i>GA</i> with a request to process the Dissertation Title Approval form. In this email, <i>Student</i> provides all committee member names and the dissertation title, and attaches a copy of the approved proposal for the department files (accepted proposals are normally made available to other students as examples). The student then notifies his/her committee that the form is ready to be signed by each member.	
6.	GA prepares the Dissertation Title Approval form with the date of the student's email and sends to the Student to review.	
7.	Student replies to the Dissertation Title Approval form with his/her approval (or any needed changes).	
8.	<i>Student</i> informs the committee that the <i>GA</i> has the Dissertation Title Approval form ready for their signatures, and asks for any special instructions for getting the form to any faculty who are off campus. <i>Student</i> informs the <i>GA</i> of any faculty who are off campus and need the form to be mailed.	
9.	Once the Dissertation Title Approval form is signed by all members, the GA has the Chair or DGS sign it and then sends it to GSAS.	
10.	Once GSAS approves the proposal, a letter is sent to the student with a copy to the department, and the student's registration is changed by GSAS for the semester from Proposal Development to Proposal Acceptance (3 credits).
