I've used what I've learned within the English department to land internships with *The Voice*, Shore Fire Media, and Haymaker Group. My English major is always a talking point and **excites my hiring managers**.

—Ernesto Perez, '24

As a first-generation college student... I have **found myself and my passion** in the English community at Fordham.

—Gabriella Frasseti, '23

My favorite thing about studying English at Fordham was the **breadth of topics that I could study** and the depth with which I could approach them.

—Catherine Davis, '19
