PROPOSED COURSE INFORMATION

PROPOSED COURSE TITLE

COURSE LEVEL AND FIT

Please describe the course level and anticipated fit within the Interdisciplinary Minor in Bioethics or the Master's Degree in Ethics & Society and other university (core), department, and/or program curricula and curricula needs

TOPICS TO BE EXPLORED

Please describe the anticipated moral, ethical, social justice, or health equity issues or questions to be explored and how multiple views on these issues will be integrated into the course curriculum. Modules to be integrated into existing courses should indicate how the module themes will be interwoven throughout the course (500 – 1500 words).

COURSE MATERIALS

Please provide a brief bibliography or list of exemplars of potential readings, videos, or other materials that might be included in or guide the syllabus development.

LEARNING OBJECTIVES AND EVALUATION PLAN

Please list the course learning objects and a plan for evaluating course success.

TIMEFRAME

Please include an anticipated timeframe for submitting the proposal for college, department, or program approval, as appropriate *and* anticipated semester/year in which the course would first be offered. (Please note that a post-award summary of the project is due to the Ethics Center October 1, 2022)

BUDGET REQUEST

Maximum budget: \$3,000. Up to \$2,500 may be paid as a one-time stipend to the awardee or divided among faculty co-instructors via payroll, subject to applicable tax withholdings and in accordance with the University's standard payroll schedule, or on a reimbursement basis, or a combination thereof. Remaining funds may be used for undergraduate or graduate assistants course development support, software, books, scholarly resources, supplies or other legitimate costs. Graduate assistants will also be paid through the University payroll. Monies cannot be provided for capital costs/furniture or office computers.
