2026-27 Parent PLUS Loan Request Form

Student Name: _____ Fordham ID: _____

Use this form if you are a parent of a dependent undergraduate student and would like to request a Federal Direct Parent PLUS Loan. Your student must have a valid 2026-27 FAFSA on file to be eligible.

New Loan Limits for 2026-27:
New borrowers are capped at $20,000 per year. You are considered a new borrower if neither you nor your student had a federal Direct Loan disbursed at Fordham before July 1, 2026.
Continuing borrowers may be eligible to borrow up to the cost of attendance. You are considered a continuing borrower if either you or your student had a federal Direct Loan disbursed at Fordham before July 1, 2026.

Steps to Obtain a Parent PLUS Loan:

Step 1: Complete a PLUS Application/Credit Check
- When applying, you'll be asked to choose one of three loan amount options:
  - Maximum Amount: Selecting this option will result in a credit balance. See loan limits above.
  - Specify a Loan Amount (Recommended): Enter a specific dollar amount based on your E-Bill.
  - Unknown: If you're unsure of the amount, submit this form when you know how much you need.
- If your credit is denied, please review the PLUS Denial Options.

Please secure a credit decision before moving on to Steps 2 and 3.

Step 2: Complete Your Master Promissory Note (MPN) & PLUS Credit Counseling (if applicable)
- New borrowers who are approved must complete a Master Promissory Note (MPN).
- Borrowers who are approved with an endorser or through an appeal must also complete PLUS Credit Counseling.

Step 3: Only needed if you selected "Unknown" for your loan amount: complete the bottom section of this form, sign it, scan it, and submit via our secure electronic upload.

To adjust your loan at any time, email financialaid@fordham.edu from the address associated with your FSA ID.

Parent Borrower Information

Parent Name: _____ Parent Signature: _____ Date:_____
(Please Print, Sign, Scan & Submit. Electronic Signature is Not Accepted)

Note: A 4.228% origination fee is deducted from each disbursement before it is applied to your student account. For example, a $10,000 loan will result in $9,578 credited to your account. Use our PLUS Loan Fee Calculator to determine the loan amount.

Loan Amount Requested: $_____
(You can borrow up to the Cost of Attendance minus other aid the student is receiving.)

Loan Period (Select One Option):
☐ Fall & Spring ☐ Fall Only ☐ Spring Only
