

VITA

Warren W. Tryon, Ph. D., ABPP

Professor Emeritus of Psychology
Board Certified in Clinical Psychology
American Board of Professional Psychology

Department of Psychology
Fordham University
Bronx, NY 10458-9993

E-mail: wtryon@fordham.edu

Web page: http://www.fordham.edu/info/24645/faculty_emeriti/8089/warren_w_tryon

Effective Date: October 3, 2019

Education

- 1966 B. A. Ohio Northern University, Ada, Ohio
1969 M.A. Kent State University, Kent, Ohio
Thesis: Personal Reaction Experiment
1970 Ph.D. Kent State University, Kent, Ohio
Major: Clinical Psychology
Dissertation: A Comparison of Two Models of Behavior Disorder:
Social Adaptation Versus Anxiety-Pathology.
Mentor: V. Edwin Bixenstine, Ph.D.

Certificates

- 1973 Licensed Psychologist, New York State, License No.004314
1976 National Register of Health Service Providers in Psychology, Certificate No. 17365
1984 Diplomate in Clinical Psychology - American Board of Professional Psychology
(ABPP) Diploma Number 3558
1994 Fellow, American Psychological Association, Division 12 (Clinical)
1996 Fellow, American Association of Applied and Preventive Psychology. Ranked 27th
in scholarly productivity (not counting ties) from 1974 through 1994
1996 Founder, Assembly of Behavior Analysis and Therapy
2003 The Academy of Clinical Psychology

Awards and Honors

*American Men and Women of Science: The Social and Behavioral Sciences
Dictionary of International Biography
International Man of the Year 1992-1993
Men of Achievement
Who's Who Biographical Record - Child Development Professionals*

Who's Who in America
Who's Who in Education
Who's Who in Medicine and Healthcare
Who's Who in Frontier Science and Technology
Who's Who in Science and Engineering
Who's Who in the Biobehavioral Sciences
Who's Who in the East

Professional Experience

Clinical

- 1968-1969 Supervised internship experience in assessment and treatment of adults with emotional and behavioral disorders at the Brecksville Veterans Administration Hospital, 10,000 Brecksville Road, Brecksville, Ohio 44141.
- 1969-1970 Supervised internship experience in assessment and treatment of adults and adolescents with emotional and behavioral disorders at the Family Guidance Clinic, 227 East Washington Street, Medina, Ohio 44256.
- 1970-2010 I have been supervising psychotherapy practicum students placed at externships throughout the greater New York City area.
- 1979-1980 Consultant to the Psychology Service of the Manhattan Veterans Administration Medical Center, First Avenue at 24th Street, New York, New York, 10010.
- 1984-1985 Consultant to The New York City Health and Hospitals Corporation, 220 Church Street, New York, New York.
- 1973-2010 Private Practice. I provide cognitive behavior therapy for children, adolescents, and adults in an individual, couple, and/or family context.

Teaching

- 1970 - 1977 Assistant Professor, Department of Psychology, Fordham University, Bronx, New York 10458-9993
- 1977 - 1983 Associate Professor, Department of Psychology, Fordham University, Bronx, New York 10458-9993
- 1983 - 2015 Professor of Psychology, Department of Psychology, Fordham University, Bronx, New York 10458-9993. I taught the following undergraduate courses: Foundations of Psychology and Statistics. I taught the following graduate courses: Cognition and Affect and Clinical Supervision (of third year students on their second clinical externship).
- 2015 - Professor Emeritus of Psychology, Department of Psychology, Fordham University, Bronx, New York 10458-9993

Administrative

- 1977 - 1982 Assistant Chairperson for the Graduate Program and member of the Executive Committee, Department of Psychology, Fordham University, Bronx, New York 10458-5198.
- 1996 - 1997 Director-Elect of Clinical Training, Department of Psychology, Fordham University, Bronx, New York 10458-5198.
- 1997 - 2003 Director of Clinical Training and member of the Executive Committee, Department of Psychology, Fordham University, Bronx, New York 10458-5198.

Grants

- 1971-1972 PI on Pupillometry: A Survey of Sources of Variation. Fordham University Research Grant for \$700.
- 1973-1974 Co-Pi with R. M. Vaughter on Patterns of Smoking Behavior as a Function of Sex and Situation: A Naturalistic Study. Fordham University Research Grant for \$1,000.
- 1978-1979 PI on A Naturalistic Study of Human Activity: Phase I. Fordham University Research Grant for \$1,800.
- 1980-1981 PI on Quantitative Assessment of Dyskinesias. Fordham University Research Grant for \$2,000.
- 1980-1981 PI on Assessment of Organicity Through Power Spectral Analysis of Finger Oscillation Behavior. Arde-Bulova Memorial Fund, Inc. grant for \$1,500.
- 1981-1982 PI on Quantitative Assessment of Dyskinesia and Organicity Using Power Spectral Techniques: Phase II. Arde-Bulova Memorial Fund, Inc. grant for \$3,500.
- 1984-1985 Consultant on An Evaluation of Overcorrection in Treating Behavioral Stereotypes in Multiply Handicapped Children. New York State Developmental Disabilities Planning Council grant for \$20,000.
- 1987-1988 PI on Differential Diagnosis of Two Subtypes of Borderline Personality Disorder Through Wrist Actigraphy. Fordham University Research Grant for \$4,250.
- 1988-1989 PI on An Instrumented Test of Fatigue in Multiple Sclerosis. National Multiple Sclerosis Society grant for \$10,000.
- 1988-1990 Validating Accelerometric Measures of Parkinsonism. National Institutes of Health grant for \$154,338 to Columbia University of which \$99,656 was contracted to Fordham University.

- 1988-1991 The Objective Measurement of Fatigue in Multiple Sclerosis. Social Security Administration grant for \$261,326 to Albert Einstein College of Medicine of which \$85,083 was contracted to Fordham University.
- 1992-1993 PI on Tremor and Finger Tapping in Young Adults. Fordham University Research Grant for \$4,000.
- 1993-1998 Consultant on Analysis of Cerebellar Movement Disorders in Multiple Sclerosis. National Institute of Disability and Rehabilitation Research grant for \$90,000 to New York Medical College.
- 1995-1997 Consultant on Analysis of Cerebellar Movement Disorders in Multiple Sclerosis. National Multiple Sclerosis Society grant \$196,381 to New York Medical College.
- 1997-1998 Consultant on Reducing Hyperactivity with a Feedback Actigraph. National Institutes of Mental Health, grant 1 R43 MH58038-01 for \$97,374 to Ambulatory Monitoring, Inc. I provided the concept of feedback actigraphy, wrote most of the background literature, designed most of the experimental design, analyzed and interpreted most of the data, and wrote a substantial portion of the final report.
- 1999-2000 PI on Activity Level as a Personality Factor. Fordham University Research Grant for \$4,000.
- 2002-2004 Co-PI on Reducing Hyperactivity with a Feedback Actigraph. National Institutes of Mental Health grant 2 R44 MH58038-02A1 for \$782,875 to Ambulatory Monitoring, Inc. I participated in the experimental design, wrote much of the background literature and made several recommendations concerning the redesign of the feedback actigraph. I was responsible for data analysis, interpretation of results, and writing a large part of the required reports.
- 2000-2005 Consultant on Activity Intervention for Chronic Fatigue Syndrome. National Institute of Allergy and Infectious Diseases (NIAID) grant 5R01AI49720-03 to DePaul University. Actigraphy was included in this grant at my suggestion. I provided the theoretical rational and technical expertise for evaluating therapeutic outcome using actigraphy. I was responsible for this aspect of data analysis and interpretation.
- 2005-2011 PI on Does Activity Feedback Stimulate the Brain in Children with ADHD? MINT Foundation award for \$10,000 on 11/15/05 through 11/16/11.
- 2010-2014 Co PI on Cell Phone-Based Activity Tracking for Telehealth National Science Foundation grant NSF 1116124 for \$420,000 on 09/01/11 through 08/31/14. This was an interdisciplinary research project where Gary Weiss from the Department of Computer and Information Sciences was the other Co-PI/PD.
- 2014-2018 BCS - 1354134, National Science Foundation. Co-PI on National Science Foundation (NSF), Development and Learning Sciences, "The Effects of Racial

- Discrimination and Sleep Disturbance on Health and Academic Outcomes among Minority Youth”, \$775,689.
- 2014-2018 Co-PI on National Institute of Child and Human Development (NICHD), R21, “Discrimination and Sleep Disturbance on Health and Academics among Asian Youth”, \$408,156.
- 2016 – 2018 Consultant on National Institutes of Health (NIH), National Institute on Minority Health and Health Disparities, "The Effects of Discrimination and Sleep Disturbance on Health among Asian Youth", \$399,779.
- 2016-2020 Consultant on National Institutes of Health (NIH), “ME/CFS: Activity patterns and autonomic dysfunction.” \$1,403, 500.

Training Record: 87 Dissertations Completed

1974

1. Leib, Warren. *The Ineffectiveness of Alpha Training in a Psychiatric Population.*
2. Piturro, Marlene Cohen. *The Modification of Behavior and Self-Report as a Function of Group Contingencies in Institutionalized Dependent and Neglected Children.*
3. Turner, Mary E. *Sex Role Attitudes and Fear of Success in Relation to Achievement Behavior in Women.*
4. Vail, Anthony F. *Dropout from Psychotherapy as Related to Patient-Therapist Discrepancies, Therapist Characteristics, and Interaction in Race and Sex.*

1975

5. Richard J. Estell. *Context Effects in the Psychophysical Scaling of the Functional Psychotic Disorders.*

1976

6. Bray, Michael J. *A Comparison of Three Methods of Obtaining Psychological Judgments Regarding Neurotic Disorders.*
7. Yaacov J. Rose. *Judgments by College Men and Women of Assertive Behavior as a Function of Speech Loudness, Latency, Content, Gestures, and Sex.*

1977

8. Jacobs, Ruth S. *Effects of Basic Learning Skill Training on Peabody Picture Vocabulary Test Scores of Severely Disruptive, Low Functioning Children.*

9. Pinsky, Richard B. *Learning Efficiency in Field-Dependent and Field-Independent Schizophrenics and Nonschizophrenics as a Function of Interposed Affective Stimulation and Task Levels.*

10. Raps, Charles S. *Learned Helplessness and Depression in a Clinical Sample.*

1978

11. Eustace, Thomas D. *Cognitive, Attitudinal, and Socioeconomic Factors Influencing Parents' Choice of Childbirth Procedure.*

12. Harris, Fredric A. *Necessary and Sufficient Conditions for the Experimental Induction of Learned Helplessness.*

13. O'Rourke, Thomas M. *Depression and Positive Reinforcement: Learned Helplessness and Behavioral Hypotheses Compared.*

1979

14. Rotuno, Marie E. *A Controlled Outcome Study of EMG-Biofeedback Assisted Relaxation Training.*

15. Shaw, John J. *Rate of Observation and Behavioral Complexity as Limiting Factors in Behavioral Observation.*

16. Thime, Warren R. *Effect of Verbal Auditory Stimulation and Presence of Others on Performance of Repetitive Body Rocking.*

1980

17. Donohue, Gerard B. *A Functional Analysis of Reinforcement Cue Saliency in Vicarious Verbal Operant Conditioning with Male and Female High School Students.*

18. Noel, Patricia S. *Effective Anger versus Cathartic Anger in the Treatment of Depression.*

1981

19. Briones, Romola G. *Semantic Conditioning of Filipino Women's Evaluation of Heterosexual Behaviors.*

20. Houlihan, Mary Weisner. *Treatment of Learned Helplessness and Depression with Assertiveness Training.*

21. McCarthy, Richard. *Methodological Considerations in the Quantitative Assessment of Human Psychomotor Activity.*

22. Pearl, Carole. *Multimodal Treatment of Normal Elementary School Children Within an Assertive Training Framework.*

1982

23. Frost, Ellen. *Immunization against human helplessness: The role of Partial Reinforcement Sequential Effects.*

24. Nardone, Maria J. *A Comprehensive Group Treatment Program to Teach Self-Control to Impulsive/Aggressive Boys.*

1983

25. Green, Leslie W. *The Relationship of Stress with Periodontal Disease and Psychopathology.*

26. Hamel, Albert R. *Central Cortical 12-15 cps EEG Feedback Training: Effects on Sleep of Epileptic Patients.*

1984

27. Falk, Joan R. *Treatment and Mechanical Compliance in a Multicomponent Smoking Cessation Program.*

28. Pfadt, Albert. *Mechanical Measurement of the Motor Activity of Institutionalized Mentally Retarded Persons.*

1986

29. Carroll, William H. *Finger Oscillation Test Behavior as a Function of Diagnostic Category and Age.*

1987

30. Chin, LeMin. *Relationship of Head and Neck Cancer Patients' Health Beliefs, Anxiety, and Depression to their Decisions to Accept or Refuse Surgery.*

31. Pologe, Bennett. *Objective Assessment of Patients Diagnosed as Having Tardive Dyskinesia.*

1988

32. Futterman, Cheryl S. *The Investigation of Motor Activity Levels in a Community Based Depressed Psychiatric Outpatient Sample.*

33. Hore, Alan Philip. *A study of the Similar Structure Hypothesis in Mentally Retarded Adults and Nonretarded Children of Comparable Mental Age.*

1989

34. Friedman, Ellen Kaplan. *Methlphenidate Responsiveness in Hyperactive Children as a Function of Pre-Treatment Variables.*

35. Pinto, Lawrence P. *An Examination of the Situational Specificity Hypothesis in Hyperactive Children.*

1990

36. Barkley, Thomas J. *The Relationship Between Motor Activity and Depressed Mood in a Non-hospitalized Clinic Sample.*

37. Goldberg, Judith L. *The Relationship Between Activity Level, Body Weight and Age.*

1991

38. Buglione, Stephen A. *A Validation Study of Programmable Time-Locked Actigraphy as an Instrumented Test of Fatigue.*

39. Cozzi, Linda M. *The Influence of Hardiness, Stress and Social Support on Academic Achievement among Urban Commuter Students.*

1992

40. Grant, Thomas H. *A Consideration of the Factors Associated with the Engagement of Clients in Outpatient Psychotherapy.*

41. Wolf, Amie Beth. *Memory Self-Report Following Traumatic Brain Injury: Neurologically Based Anosognosia or Motivated Denial?*

1993

42. Aluma, Manuel. *Cognitive Rehabilitation of Attentional Deficits in Schizophrenia.*

43. Brone, Ronald. *The Effectiveness of Techniques for Enhancing the Strength Gains in a Weight-Lifting Program.*

44. Keswani, Lata. *The Nature and Manifestation of Hostility in Depressed Men and Women.*

45. Mulloy-Steinborn, Jean M. *Affective and Cognitive Effects on Response Time to a Computer Administered Version of the Eysenck Personality Questionnaire.*

46. Temple, Daniel. *Response Latency to Computer-Administered Personality Inventory Items as a Measure of Perceived Evocativeness.*

1994

47. Davar, David A. *The Role of Family Visits, Staffing, Admissions and Discharges, Weekday, Birthdays, and Census in the Prediction of Violent Incidents in a Forensic Setting.*

48. Modesti, Deirdre G. *Perceived Support, Depression, and Sibling Conflict in Adult Children Caregivers to a Parent with Alzheimer's Disease or Vascular Dementia.*

49. Yanulis, Mary Anne. *Cognitive Functioning, Adaptive Behavior, and Parenting Stress in Crack-Exposed Children from Infancy through Age Six.*

50. Harner, Sandra. *Immune and Affect Response to Shamanic Drumming.*

1995

51. Rinaldi, Paul J. *Neuropsychological Manifestations of HIV-1 Infection in Intravenous Drug Users.*

52. Filippi, Alan D. *Differences in Fixations and Latencies of Eye Movement Patterns in Reading Disabled Versus Nondisabled Children Viewing Nonreading Material.*

53. Dunsmoir, Beryl A. *Detecting Dissimulation on the PAI: Incremental Validity of Response Latencies to the Impression Management Scales of a Computer-Administered Personality Assessment Inventory.*

54. Healy, Brian. *Daily Activity Levels of boys with Attention Deficit Hyperactivity Disorder and Boys with Conduct Disorder.*

1996

55. Wall, Brenda M. *Executive Function of Children Born Preterm.*
56. Trudel, Tina. *Evaluating late Outcome Severe Closed Head Injury with Emphasis on Awareness of Disability.*

1997

57. Coffield, Timothy G. *Psychomotor Activity in Depressed Sleep.*
58. Catanzaro, Jeanne. *The Effect of Response Latencies on the Validity of Personality Scales.*
59. Tavella, Christopher. *The Effects of Self and Adopted Schemas on Response Latency to Personality Items.*
60. Abaya, Leah. *Activity levels in Attention Deficit Disorders with and without Hyperactivity.*

1998

61. Baerwald, Jeffrey. *Bimodal Attention Functioning In Subjects with Schizophrenia and Bipolar Disorder.*
62. Casey, Matthew. *Response Latency to Computer-Administered Personality Inventory Items: A Method to Control for Reading Speed and Item Length.*

2000

63. Junowitz, David J. *Effects of Health and Personality on Subjective Well-Being.*
64. Ayers, Wayne. *Taxometric Analysis of Borderline and Antisocial Personality Disorders in a Drug and Alcohol-Dependent Population.*
65. Chin, Stanley. *The Effects of Information on the Assessment of dissimulation Through the Measurement of Response Latency.*
66. Corby, Brian. *Validating a New Method for Quantifying Psychological Traits: Response Pattern and Response Latencies.*
67. Richer, Ellen. *The Effect of Semantic Conditioning on Children's Self Concept.*

2001

68. D'Alessio-Baez, Esterina. *Effect of Olfactory Stimulation on Handmouthing Behavior.*
69. Meyerson, Paul *The Psychometric Equivalency of Internet vs. In-Person Research.*
70. Gorlyn, Marianne. *Performance Test Correlates of Impulsivity and its Component Factors.*
71. Hannan, Scott. *Computer Administered Visual-Analogue Personality Ratings: Validation of a Measure and Analyses of Response Patterns.*

2003

72. Maucieri, Larry. *Predicting behavior with an artificial neural network: A comparison with linear models of prediction.*
73. Meyers, Oren. *Validating a Systematic Computer Administered Visual Analogue Response Latency in a Clinical Sample.*

2004

74. Farran, Brian *Self-Concept Beliefs, Depression, and Anxiety as Predictors of Procrastination in College Students.*
75. Marsano, Sophie. *Differentiating the Neuropsychological Testing Patterns of Borderline Personality Disorder and Major Depressive Disorder.*

2005

76. Dimitri, Diana *Antisocial Personality Disorder as a Predictor of Risk Behavior in a Triply Diagnosed Population.*
77. Torres, Luis. *Psychological Status of Hispanic and Non-Hispanic Mothers of Mentally Retarded and Mentally Ill Children.*

2006

78. Licht, Carolyn. *Does Actigraphy Validate DSM-IV Criteria and Methods for Pervasive Hyperactivity?*
79. Pope, Sabrina. *Social Skills in ADHD Children: Differences Based on ADHD Subtype.*

2007

80. Rodriguez, Moises. *Interrelationships of Attention, Hyperactivity, and Impulsivity in Children.*
81. Caro, Donna Maria. *The Relationship Between Temperament and Personality Over Time and Across The Generations.*

2009

82. Misurell, Justin. *Clinical Efficacy of a Game-Based Cognitive Behavioral Therapy Group Program for Children Who have Been Sexually Abused and Maltreated.*

2010

83. Berry, Courtney C. *Clinical Factors Related to and Predictive of Psychiatric Inpatient Length of Stay.*

2011

84. Dorfman, Ava. *A Study of the Effects of Cancer Therapy on Neurocognitive Function.*

2012

85. Rodriguez, Isabel. *Differences in Neurocognitive Performance and Adaptive Functioning Among Ethnic Minority Children with Autistic Spectrum Disorder.*

2014

86. Hadjikyriacou, Despina. *Neuropsychological Change as a Possible Mechanism for Clinical Change in the Treatment of Insomnia.*

87. Masty, Jessica K. *A Functional Assessment of Selective Mutism.*

145 Symposia and Posters Presented at Professional Meetings

1973

1. Tryon, W. W., Leib, W., & Tryon, G. S. (1973, August). Test anxiety as a function of academic achievement, grade level, and sex in ghetto elementary school children. Paper presented at the meeting of the American Psychological Association, Montreal, Canada.

1974

2. Tryon, W. W., (1974, August). On making a behavioral diagnosis within the family network. In H. Glickman (Chair), Behavior family therapy: The person and the family network. Symposium conducted at the meeting of the American Psychological Association, New Orleans, LA.

1975

3. Leib, W., Tryon, W. W., & Stroebel, C. S. (1975, August). The ineffectiveness of alpha training in a psychiatric population. Paper presented at the meeting of the Eastern Psychiatric Research Association, New York, NY.

4. Tryon, W. W., & Piturro, M. C. (1975, April). Correlated changes in verbal behavior as a function of engineered changes in motoric behavior. Paper presented at the meeting of the Eastern Psychological Association, New York, NY.

5. Tryon, W. W., Tryon, W. W., & Tryon, G. S. (1975, November). Assertive behavior and its training. Paper presented at the meeting of the Metropolitan College Mental Health Association, New York, NY.

1976

6. Tryon, W. W. (1976, December). A taxonomic approach to behavioral diagnosis. Paper presented at the meeting of the Association for the Advancement of Behavior Therapy. New York, NY.

1977

7. Tryon, W. W. (1977, August). Discussant. In W. S. Peavler (Chair), Pupillary reaction as a psychological response system. Symposium conducted at the meeting of the American Psychological Association, San Francisco, CA.

1978

8. Tryon, W. W. (1978, May). Two topics with regard to the roots and rise of behavior modification therapy: Outcome research and the nature of explanation. In Tryon, W. W. (Chair), A reanalysis fo the roots and rise of behavior modification therapy. Symposium presented at the meeting of the New York State Psychological Association, New York, NY.
9. Tryon, W. W. (1978, August). Behavioral versus cognitive therapies: A paradigm clash. In G. S. Tryon (Chair), Clinical behaviorism: Past, present, and future. Symposium presented at the meeting of the American Psychological Association, Toronto, Canada.
10. Rotunno, M., & Tryon, W. W. (1978, August). Alcoholics anonymous: Behavioral description. Paper presented at the meeting of the American Psychological Association, Toronto, Canada.

1979

11. Tryon, W. W. (1979, April). Invited Chair, Adolescent-Clinical. Paper session presented at the meeting of the Eastern Psychological Association, Philadelphia, PA.
12. Tryon, W. W. (1979, September). A survey of biofeedback instrumentation. In J. Palladino (Chair), Biofeedback in the undergraduate curriculum. Symposium presented at the meeting of the American Psychological Association, New York, NY.
13. Rotunno, M., & Tryon, W. W. (1979, September). A controlled outcome study of EMG biofeedback assisted relaxation training. Paper presented at the meeting of the American Psychological Association, New York, NY.
14. Pfadt, A. G. & Tryon, W. W. (1979, May). How to select and use mechanical transducers to measure motor activity. Paper presented at the meeting of the American Association of Mental Deficiency. San Francisco, CA.

1980

15. Tryon, W. W. (1980, December). Principles and methods of mechanically measuring motor activity. Poster presented at the Association for the Advancement of Behavior Therapy, New York, NY.
16. Tryon, W. W., & Jacobs, R. S. (1980, April). Increasing IQ as a function of basic learning skill training. Poster presented at the meeting of the Eastern Psychological Association, Hartford, CT.

1981

17. Donohue, G. B. & Tryon, W. W. (1981, April). The effect of social reinforcement cue saliency on vicarious verbal operant conditioning. Poster presented at the meeting of the Eastern Psychological Association, New York, NY.
18. Houlihan, M. W. & Tryon, W. W. (1981, April). Assertiveness training as a treatment of learned helplessness and depression. Poster presented at the meeting of the Eastern Psychological Association, New York, NY.
19. Noel, P. S., Tryon, W. W. & Raps, C. S. (1981, April). Effective anger versus cathartic anger in the treatment of depression. Poster presented at the meeting of the Eastern Psychological Association, New York, NY.

1982

20. Pfadt, A., & Tryon, W. W. (1982, May). Direct measurement of drug treatment effects on the hyperactivity of an institutionalized profoundly retarded young women. Poster presented at the meeting of the American Association of Mental Deficiency, Boston, MA.
21. Falk, J. R., Tryon, W. W., & Halmi, K. A. (1982, April). Kinetic energy expenditures by hospitalized patients with anorexia nervosa. Poster presented at the meeting of the Eastern Psychological Association, Baltimore, MD.
22. Frost, E., & Tryon, W. W. (1982, April). Immunization against human helplessness: The role partial reinforcement sequential effects. Poster presented at the meeting of the Eastern Psychological Association, Baltimore, MD.
23. Pearl, C. & Tryon, W. W. (1982, April). Multimodal treatment of normal elementary school children within an assertiveness training framework. Poster presented at the meeting of the Eastern Psychological Association, Baltimore, MD.
24. Harris, F., & Tryon, W. W. (1982, April). Necessary and sufficient conditions for the experimental induction of learned helplessness. Poster presented at the meeting of the Eastern Psychological Association, Baltimore, MD.
25. Shaw, J. A., & Tryon, W. W. (1982, April). Observation rate and complexity of observed behavior on observer accuracy. Poster presented at the meeting of the Eastern Psychological Association, Baltimore, MD.

1983

26. Nardone, M. J. & Tryon, W. W. (1983, April). The effectiveness and generalization of a cognitive-behavioral group treatment to reduce impulsive/aggressive behavior. Poster presented at the meeting of the Eastern Psychological Association, Philadelphia, PA.
27. San Martin, M. & Tryon, W. W. (1983, April). Assessing handedness and footedness using a tapping task. Poster presented at the meeting of the Eastern Psychological Association, Philadelphia, PA.
28. Tryon, W. W. (1983, August). Drift rate: An index of behavioral stability and change. Poster presented at the meeting of the American Psychological Association, Anaheim, CA.
29. Tryon, W. W. (1983, August). Semantic conditioning of Filipino Women's evaluations of heterosexual behaviors. Poster presented at the meeting of the American Psychological Association, Anaheim, CA.
30. Pfadt, A., & Tryon, W. W. (1983, December). How to "see" changes in "noisy" data: Use of digital filtering to reduce individual variability in motor activity recordings. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Washington, D.C.

1984

31. Cozzi, L., Tryon, W. W., & Sedlacek, K. (1984, April). The effectiveness of biofeedback assisted relaxation training in modifying the frequency, intensity and duration of the pain crisis of sickle cell disease. Poster presented at the meeting of the Eastern Psychological Association, Baltimore, MD.

32. Falk, J. R., Tryon, W. W. (1984, August). Smoking rates as a function of therapeutic and mechanical compliance. Poster presented at the meeting of the American Psychological Association, Toronto, Canada.
33. Green, L., Tryon, W. W., Huryn, J., & Marks, B. (1984, April). Periodontal disease as a function of life stress. Poster presented at the meeting of the Eastern Psychological Association, Baltimore, MD.
34. Hamel, A. R., & Tryon, W. W. (1984, April). EEG biofeedback of central cortical activity: Acquisition. Poster presented at the meeting of the Eastern Psychological Association, Baltimore, MD.
35. Thime, W. R., & Tryon, W. W. (1984, April). Effects of social context components on repetitive rocking levels. Poster presented at the meeting of the Eastern Psychological Association, Baltimore, MD.
36. Tryon, W. W. (1984, April). Motor activity as a function of body weight. Poster presented at the meeting of the Eastern Psychological Association, Baltimore, MD.
37. Tryon, W. W. (1984, August). An evaluation of the bootstrap hypothesis using computer simulation. Poster presented at the meeting of the American Psychological Association, Toronto, Canada.

1985

38. Cozzi, L., & Tryon, W. W. (1985, March). Do EMG and thermal biofeedback involve learning? Poster presented at the meeting of the Eastern Psychological Association, Boston, MA.
39. Pfadt, A., & Tryon, W. W. (1985, March). An empirically based typology of problematic activity. Poster presented at the meeting of the Eastern Psychological Association, Boston, MA.
40. Orr, D., & Tryon, W. W. (1985, March). The inhibition of stereotyped behavior by visual stimulation. Poster presented at the meeting of the Eastern Psychological Association, Boston, MA.
41. Tryon, G. S., & Tryon, W. W. (1985, March). Factors associated with practicum students' engagement of clients in counseling. Poster presented at the meeting of the Eastern Psychological Association, Boston, MA. (ERIC Document Service No. ED261266).
42. Tryon, W. W. (1985, August). Cross validation of a developmental equation for postural tremor. Poster presented at the meeting of the American Psychological Association, Los Angeles, CA.
43. Tryon, W. W., Roswell, V. A., Fishman, S. T., & Lubetkin, B. S. (1985, August). A clinical longitudinal study of weight and activity. Poster presented at the meeting of the American Psychological Association, Los Angeles, CA.

1986

44. Futterman, C. S. & Tryon, W. W. (1986, April). Preliminary findings of an investigation of motor activity levels in a community based depressed psychiatric outpatient sample. Poster presented at the meeting of the Eastern Psychological Association, New York, NY.

45. Pfadt, A., & Tryon, W. W. (1986, April). The effects of deinstitutionalization on the adaptive behavior of mentally retarded adults. Poster presented at the meeting of the Eastern Psychological Association, New York, NY.
46. Tryon, W. W. (1986, April). Invited chair, Community-Clinical Psychology I. Poster presented at the meeting of the Eastern Psychological Association, New York, NY.
47. Tryon, W. W. (1986, June). Hyperactivity in children: Advances in theory and practice. Poster presented at the conference on Advances in Behavioral Science for Developmentally Disabled Children, Harrison, NY.
48. Tryon, W. W., & Pologe, B. (1986, August). Accelerometric assessment of tardive dyskinesia. Poster presented at the meeting of the American Psychological Association, Washington DC.

1987

49. Cicero, S. & Tryon, W. W. (1987, August). Classical conditioning of meaning: A replication and higher-order extension. Poster presented at the meeting of the American Association, New York, NY.
50. Fisher, C. B. , & Tryon, W. W. (1987, April). Issues and ethics in applied developmental psychology. Poster presented at the meeting of the Society for Research in Child Development, Baltimore, MD.
51. Futterman, C. S., & Tryon, W. W. (1987, April). A paradoxical effect of psychotherapy for depression. Results of a follow-up investigation of motor activity levels in a community based psychiatric outpatient sample. Poster presented at the meeting of the Eastern Psychological Association, Arlington, VA.
52. Pfadt, A., Zigman, W., Silverman, W., & Tryon, W. W. (1987). Developmental growth of mentally retarded adults: Institutional vs. Community settings. Poster presented at the meeting of the American Psychological Association, New York, NY.
53. Tryon, W. W. (1987, August). (Chair), Confronting ethical dilemmas in Applied Developmental Psychology. Symposium presented at the meeting of the American Psychological Association, New York, NY.

1988

54. Abaya, L. M., Tryon, W. W., & Krevisky, W. (1988, August). Training mentally retarded adults to answer the telephone. Poster presented at the meeting of the American Psychological Association, Atlanta, GA.
55. Borres, S. T., & Tryon, W. W. (1988, April). Self-efficacy and prior experience as predictors of cessation and abstinence in a multi-component smoking cessation program. Poster presented at the meeting of the Eastern Psychological Association, Buffalo, NY.
56. Carroll, W. H., & Tryon, W. W. (1988, November). A path analysis of finger-tapping behavior. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, New York, NY.
57. Chin, L. & Tryon, W. W. (1988, August). Factors affecting head-neck surgery choice. Poster presented at the meeting of the American Psychological Association, Atlanta, GA.

58. Hore, A. P., & Tryon, W. W. (1988). A study of the similar structure hypothesis in mentally retarded adults and nonretarded children of comparable mental age. Poster presented at the meeting the meeting of the American Association on Mental Retardation, Washington, D.C.
59. Pologe, B., Tryon, W. W., & Lindenmayer, J. P. (1988, August). Accelerometric assessment of oral and limb dyskinesia. Poster presented at the meeting of the American Psychological Association, Atlanta, GA.
60. Tryon, W. W. (1988, April). Behavioral assessment of activity: Obtaining stable clinical measurements. Poster presented at the meeting of the Eastern Psychological Association, Buffalo, NY.

1989

61. Patelis, T., & Tryon, W. W. (1989, April). The occurrence of infradian rhythms in response rates from two time-correlated schedules. Poster presented at the meeting of the Eastern Psychological Association, Boston, MA.
62. Tryon, W. W. (1989, April). Infradian rhythms in response rate under a time-correlated reinforcement contingency. Poster presented at the meeting of the Eastern Psychological Association, Boston, MA.
63. Tryon, W. W., Goldberg, J. L., & Morrison, D. F. (1989, August). Activity decreases as percent overweight increases. Poster presented at the meeting of the American Psychological Association, New Orleans, LA.
64. Tryon, W. W., Pinto, L. W., & Morrison D. F. (1989, August). Reliability assessment of clinical and laboratory activity measurements. Poster presented at the meeting of the American Psychological Association, New Orleans, LA.

1990

65. Harner, S., & Tryon, W. W. (1990, May). Effects of shamanic drumming on salivary immunoglobulin A, salivary immunoglobulin M, Anxiety, and Well-being. Poster presented at the IAHR Regional Conference on Circumpolar and Northern Religion, Helsinki, May 13th.
66. Pinto, L. W., & Tryon, W. W. (1990, April). Construct validity of three rating scales. Poster presented at the meeting of the Eastern Psychological Association, Philadelphia, PA.
67. Pinto, L. W., & Tryon, W. W. (1990, August). An examination of the situational specificity hypothesis in hyperactive children. Poster presented at the meeting of the American Psychological Association, Boston, MA.
68. Tryon, W. W. (1990, August). Uncertainty reduction as valid explanation. Poster presented at the meeting of the American Psychological Association, Boston, MA.
69. Tryon, W. W., Brin, M. F., Fahn, S., Guillory, S., Winfield, L., & Bressman, S. (1990, October). Validating accelerometric measures of Parkinsonism: Technical aspects and preliminary results. Poster presented at the meeting of the Fourth annual symposium on Etiology, Pathogenesis and Prevention of Parkinson's Disease and symposium on Hyperkinetic Movement Disorders, Atlanta, GA.

1991

70. Barkley, R. J., & Tryon, W. W. (1991, August). The relationship between motor activity and depressed mood in an outpatient sample. Poster presented at the meeting of the American Psychological Association, San Francisco, CA.
71. Buglione, S. A., & Tryon, W. W. (1991, August). Validating actigraphy as a measure of fatigue. Poster presented at the meeting of the American Psychological Association, San Francisco, CA.
72. Cozzi, L. M., & Tryon, W. W. (1991, August). Influence of hardiness, stress and support on GPA and attrition. Poster presented at the meeting of the American Psychological Association, San Francisco, CA.
73. Mulloy, J. M., & Tryon, W. W. (1991, August). Longer response time only to endorsed evocative items. Poster presented at the meeting of the American Psychological Association, San Francisco, CA.
74. Tavella, C., Tryon, W. W., & MacDonall, J. S. (1991, August). Rate dependent effects of auditory stimuli. Poster presented at the meeting of the American Psychological Association, San Francisco, CA.

1992

75. Tryon, W. W. (1992, August). Neural networks for psychologists - synthetic unification. Symposium conducted at the meeting of the American Psychological Association, Washington, DC.
76. Tryon, W. W. (1992, August). Synthetic unification of psychological schisms: A neural network perspective. In Tryon, W. W. (Chair), Neural networks for psychologists - synthetic unification. Symposium conducted at the meeting of the American Psychological Association, Washington, DC.
77. Tryon, W. W. (1992, August). Effects of sampling interval on autocorrelation. Poster presented at the meeting of the American Psychological Association, Washington, DC.

1993

78. Mulloy, J. M., & Tryon, W. W. (1993, August). Affective and cognitive effects on response time to EPQ items. Poster presented at the meeting of the American Psychological Association, Toronto, Canada.
79. Temple, D. E. & Tryon, W. W. (1993, August). Response latency to computer-administered personality inventory items as a measure of perceived evocativeness. Poster presented at the meeting of the American Psychological Association, Toronto, Canada.

1994

80. Brone, R. J., Glenwick, D. S., & Tryon, W. W. (1994, November). A comparison of behavioral and cognitive techniques for enhancing weight-lifting performance. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, San Diego, CA
81. Dorfman, D., Rinaldi, P., Handelsman, L., Hauser, A., & Tryon, W. (1994, August). Characterizing neuropsychological deficits in HIV-1 infected IDUs: A principal

- components analysis. Poster presented at the meeting of the Neuroscience of HIV Infection, Vancouver, B.C.
82. Modesti, D. G., & Tryon, W. W. (1994, August). Emotional strain on adult children of a parent with Alzheimer's Disease. Poster presented at the meeting of the American Psychological Association, Los Angeles, CA.
83. Tryon, W. W. (1994, November). Encoding emotion into a bidirectional associative memory model. In G. Siegle (Chair), Connectionist models of negative affect: A cognitive science approach to behavior therapy. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, San Diego, CA.
84. Tryon, W. W., Orr, D. A., & Blumenfield, M. (1994, August). Psychometric equivalency of electronic- and visual-analog and Likert ratings. Poster presented at the meeting of the American Psychological Association, Los Angeles, CA.
85. Yanulis, M. A., Schaffer, J., & Tryon, W. W. (1994, August). Crack-exposed children--Cognitive functioning, adaptive behavior, and parenting stress. Poster presented at the meeting of the American Psychological Association, Los Angeles, CA.
86. Brone, R. J., Glenwick, D. S., & Tryon, W. W. (1994, November). A comparison of behavioral and cognitive techniques for enhancing weight-lifting performance. Poster presented at the meeting of the Association for Advancement of Behavior Therapy, San Diego, CA.
87. Tryon, W. W. (1994, November). Encoding negative emotion in a bidirectional associative memory. In G. Siegle and R. E. Ingram (Chair), Connectionist models of negative affect: A cognitive science approach to behavior therapy. Symposium presented at the meeting of the Association for Advancement of Behavior Therapy, San Diego, CA.

1995

88. Devar, D. A., Tryon, W. W., & Martell, D. A. (1995, February). Towards an environmental model of the prediction of inpatient violence in a forensic psychiatric facility. Poster presented at the meeting of the American Academy of Forensic Sciences, Seattle, WA.
89. Harner, S., & Tryon, W. W. (1995, August). Therapeutic effects of a spiritual practice--Shamanism. Poster presented at the meeting of the American Psychological Association, New York, NY.
90. Harner, S. & Tryon, W. W. (1995, November). Psychological and immunological responses to shamanic journeying with drumming. Poster presented at the third International Conference of ISSR, Nara Japan.
91. Tryon, W. W. (1995, August). Generalizing group findings to single subjects. Poster presented at the meeting of the American Psychological Association, New York, NY.

1996

92. Harner, S. & Tryon, W. W. (1996, July). Imagery style and therapeutic effects of shamanic practice. Poster presented at the meeting of the 1st Congress of the World Council for Psychotherapy, Austria Center, Vienna.

93. Healy, B., & Tryon, W. W. (1996, August). Daily activity levels of boys with Attention-deficit Hyperactivity Disorder and boys with Conduct Disorder. Poster presented at the meeting of the American Psychological Association, Toronto, Canada.
94. Trudel, T., & Tryon, W. W. (1996, August). Closed head injury: awareness of disability and long term outcome. Poster presented at the meeting of the American Psychological Association, Toronto, Canada.
95. Trudel, T., Tryon, W. W., & Purdum, C. M. (1996, November). Awareness of disability and long term outcome after severe traumatic brain injury. Poster presented at the meeting of the Brain Injury Association, Inc., Dallas, TX.
96. Tryon, W. W. (1996, August). Nocturnal activity and sleep assessment. Poster presented at the meeting of the American Psychological Association, Toronto, Canada.
97. Tryon, W. W. (1996, August). Confidence interval testing: An alternative to null hypothesis testing. Poster presented at the meeting of the American Psychological Association, Toronto, Canada.
98. Walsh, B., Towle, P., & Tryon, W. W. (1996, August). Executive function and behavior problems in low birthweight children. Poster presented at the meeting of the American Psychological Association, Toronto, Canada.

1997

99. Dunsmoir, B. A., & Tryon, W. W. (1997, August). Using response latencies to detect dissimulation. Poster presented at the meeting of the American Psychological Association, Chicago, IL.
100. Filippi, A. D., & Tryon, W. W. (1997, August). Regressive eye movements during a nonlexical task. Poster presented at the meeting of the American Psychological Association, Chicago, IL.
101. Smith, C. R., Tryon, W. W., & Caruso, L. S. (1997, September). Measuring tremor in multiple sclerosis. Poster presented at the meeting of the Consortium of Multiple Sclerosis Centers, Calgary, Alberta, Canada

1998

102. Coffield, T. G., & Tryon, W. W. (1998, August). Sleep disorder and recovery in depressed patients. Poster presented at the meeting of the American Psychological Association, San Francisco, CA.
103. Tavella, C. & Tryon, W. W. (1998, August). The effects of schemas on response latency to personality items. Poster presented at the meeting of the American Psychological Association, San Francisco, CA.
104. Tryon, W. W. (1998, August). Confidence interval testing: Evaluating statistical equivalence. Poster presented at the meeting of the American Psychological Association, San Francisco, CA.

1999

105. Baerwald, J. P., & Tryon, W. W. (1999, August). Response control and attention differentials in schizophrenic and bipolar inpatients. Poster presented at the meeting of the American Psychological Association, Boston, MA.
106. Baerwald, J. P., & Tryon, W. W. (1999, August). Modal attention asymmetry in patients with schizophrenia and bipolar disorders. Poster presented at the meeting of the American Psychological Association, Boston, MA.
107. Casey, M. & Tryon, W. W. (1999, August). Response latency to computer-administered personality inventory items. Poster presented at the meeting of the American Psychological Association, Boston, MA.
108. Tryon, W. W. (1999, May). Neural network learning theory: An overview of basic principles and applications. Invited address presented at the Oregon Social Learning Center, Eugene, OR.
109. Tryon, W. W. (1999, May). Actigraphy: Thirty-three reasons why it is important. Invited address presented at the Oregon Social Learning Center, Eugene, OR.

2000

110. Ayers, W., & Tryon, W. W., Bernstein, D. P., Haslam, N., & Handelsman, L. (2000, August). Evaluating Antisocial Personality taxonometrically: Are there alternatives to the DSM? Poster presented at the meeting of the American Psychological Association, Washington, DC.
111. Corby, B. J., & Tryon, W. W. (2000, August). Validating a new method for quantifying traits. Poster presented at the meeting of the American Psychological Association, Washington, DC.
112. D'Alessio-Baez, E., & Tryon, W. W. (2000, August). Effect of olfactory stimulation on handmouthing behavior. Poster presented at the meeting of the American Psychological Association, Washington, DC.
113. Tryon, W. W. (2000, August). Relevance of connectionist neural network models to clinical psychology. In Ilardi, S. (Chair), Cognitive neuroscience paradigm—Implications for clinical psychology. Symposium conducted at the meeting of the American Psychological Association, Washington, DC.
114. Tryon, W. W. (2000, October). Actigraphy and its role in quantifying fatigue in patients with Chronic Fatigue Syndrome (CFS). Invited Poster presentation at NIH sponsored Chronic Fatigue Syndrome State of the Science Conference, Arlington, VA.
115. Tryon, W. W. (2000, November). Neural Network Learning Theory is a superset of behaviorism and cognitive psychology. In S. Ilardi (Chair), Radical Behaviorism and Cognitive Neuroscience: A Friendly Debate of Rival Theoretical Frameworks for the Science and Practice of Clinical Psychology. Symposium conducted at the meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.

2001

116. Tryon, W. W., & Forlenza, N. (2001, August). Activity level as a personality factor. Poster presented at the meeting of the American Psychological Association, San Francisco, CA.

117. Tryon, W. W., Tryon, G. S., Kazlauskis, T., Gruen, W., & Swanson, J. M.. (2001, August). Reducing hyperactivity with a feedback actigraph. Poster presented at the meeting of the American Psychological Association, San Francisco, CA.

2002

118. Hannan, S. & Tryon, W. W. (2002, August). Validation of response latencies to visual analog personality ratings. Poster presented at the meeting of the American Psychological Association, Chicago, IL.
119. Karpf, A., & Tryon, W. W. (2002, August). Reducing hyperactivity with a feedback actigraph. Poster presented at the meeting of the American Psychological Association, Chicago, IL.
120. Maucieri, L. P., & Tryon, W. W. (2002, August). Applying artificial neural network models to behavioral prediction. Poster presented at the meeting of the American Psychological Association, Chicago, IL.
121. Meyerson, P., & Tryon, W. W. (2002, August). Validating internet research. Poster presented at the meeting of the American Psychological Association, Chicago, IL.
122. Tryon, W. W. (2002, August). Drawing inferences about individuals from a group study. Invited Poster presentation at the meeting of the American Psychological Association, Chicago, IL.

2003

123. Coffield, T. G., & Tryon, W. W. (2003, November). Construct validation of actigraphic sleep measures in hospitalized depressed patients. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.
124. McKay, D., & Tryon, W. W. (2003, November). A role for memory in cognitive-behavior therapy (work in progress). Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.
125. Tryon, W. W. (2003, April). Reducing hyperactivity with a feedback actigraph. Invited keynote presentation at the meeting of the Northeastern Regional Biofeedback Society, White Plains, NY.
126. Tryon, W. W. (2003, April). A connectionist explanation of biofeedback. Invited keynote presentation at the meeting of the Northeastern Regional Biofeedback Society, White Plains, NY.
127. Tryon, W. W. (2003, November). Possible mechanisms for why exposure therapy and systematic desensitization work. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

2004

128. Tryon, W. W. (2004, February). Connectionism: A Truly Modern Learning Theory and Basis for Modern Behavior Therapies. Invited colloquium presentation at St. John's University.

129. Gorlyn, M., Keilp, J. G., Tryon, W. W., & Mann, J. J. (2004, April). Performance test correlates of component factors of impulsivity. Society of Biological Psychiatry Meeting, New York, April, 2004.
130. Jason, L.A., Tryon, W.W., Frankenberry, E., & Torres-Harding, S. R. (2004, Oct.). Chronic fatigue syndrome impairs circadian rhythm of activity level. Poster presented at the Seventh International Conference on Chronic Fatigue Syndrome, Fibromyalgia and other related illnesses. Alliant Energy Center, Madison, WI.

2005

131. Dimitri, D., Tryon, W. W., & Winiarski, M. (2005, August). Does antisocial behavior predict risk in HIV + substance abusers? Poster presented at the meeting of the American Psychological Association, Washington, DC.
132. Farran, B. L., & Tryon, W. W. (2005, August). Self-concept beliefs, depression, and anxiety as predictors of academic procrastination. Poster presented at the meeting of the American Psychological Association, Washington, DC.
133. Marsano, S., Keilp, J., & Tryon, W. W. (2005, August). Differentiating the neuropsychology of borderline personality disorder and major depression. Poster presented at the meeting of the American Psychological Association, Washington, DC.
134. Pope, S. A., Solanto, M. V., & Tryon, W. W. (2005, August). Social skills in subtypes of children with ADHD. Poster presented at the meeting of the American Psychological Association, Washington, DC.
135. Tryon, W. W. (2005, August). Evaluating proportions for statistical difference, equivalence and indeterminacy. Poster presented at the meeting of the American Psychological Association, Washington, DC.
136. Tryon, W. W. (2005, August). Evaluating the Inferential confidence interval method of establishing statistical equivalence. Poster presented at the meeting of the American Psychological Association, Washington, DC.
137. Torres, L. R., & Tryon, W. W. (2005, August). Child's IQ and mother's mental illness beliefs predict maternal distress. Poster presented at the meeting of the American Psychological Association, Washington, DC.

2006

138. Meyers, O. I., & Tryon, W. W. (2006, November). Validity of a computer-administered visual analog scale in physical and mental illness. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.

2007

139. Tryon, W. W. (2007, January). Are children diagnosed with ADHD pervasively hyperactive? Invited colloquium presentation at St. John's University.
