III. CHAIRPERSON'S OR DIRECTOR OF GRADUATE STUDIES APPROVAL (Section III is to be filed out by the Chairperson or DGS of applicants program at Fordham.)

To the Chairperson or DGS: The Seminar in Jesuit Pedagogy is designed to work as a complement to existing training programs in Fordham's graduate departments. This seminar will expose Fordham graduate students preparing for University teaching to the values and pedagogy that characterize the nearly five-century-old tradition of Jesuit education. It is not assumed that graduate students will be pursuing their teaching careers in Jesuit institutions; thus, effort will be made to focus on the broad applicability of Jesuit pedagogy.

By signing below, I certify that this student may participate in the Seminar in Jesuit Pedagogy, and that such participation will not conflict with the student's department-specific duties. If any conditions apply to the student's participation, please explain such conditions below.
