Policies and Procedures

We welcome you and thank you for choosing to pursue professional training and certification at Fordham University, Graduate School of Education (GSE). As you are aware, all universities function under a set of rules. Some of these rules are statutes, some are policies, and others are procedures. Though we are governed by University statutes, as a graduate student in the GSE, it is your responsibility to know the GSE's policies and procedures as they pertain to you and your program.

For this reason, we encourage you to visit the 2023-2024 Graduate School of Education Bulletin and learn about program policies and procedures. We especially encourage you to become familiar with the GSE Academic Policies section of the Bulletin. Not knowing the policies and procedures does not absolve you from your responsibilities as a graduate student in the GSE. We wish you success as you begin your professional growth journey with us.
The Fordham University Student Handbook is provided as a resource and reference guide to University operations, policies and regulations. Additional information is available in the Graduate School of Education Bulletin.

You are responsible for knowledge of the regulations and information contained within these and other publications. If you do not understand a policy or regulation, it is your responsibility to ask the Dean of Students Office for clarification or interpretation.

Policies and Regulations included in this Handbook may be amended from time to time by the authorized administrators of Fordham University.

Safety and Security

An effective security program relies upon the active participation of every student, faculty and staff member. Here at Fordham your personal safety is most important. With your assistance and cooperation we will provide the services, staffing and guidance to achieve that end. The Annual Security and Fire Safety booklet is designed to assist you with information about a variety of security services, programs and policies. A number of University departments, including Residential Life and Student Activities, produce informational materials in more detail than found in this reference guide.

The Department of Public Safety provides 24-hour, 7-day-a-week coverage at the Rose Hill and Lincoln Center campuses. Student Health Services

Fordham University is pleased to announce that the Student Health Plan has been renewed with Aetna Student Health and will continue to be offered to all eligible Fordham students for the 2023-2024 policy year. The Student Health Plan provides comprehensive health insurance, including access to Aetna Student Health networks and nationwide pharmacies.

The annual rate is a $4,260 premium charge. *This rate is pending approval by the state insurance department and is subject to change in the meantime.

Learn about Student Health Insurance
Students who are already covered by another insurance will be eligible to waive the health insurance fee, as soon as they receive their first fall tuition bill, including the insurance fee, and are fully registered for fall courses. [The website is now available.](#)

Part-time graduate students, Gabelli online students, and PCS students taking 5 credits

Graduate, Law, and Dissertation students carrying 5 or fewer credits as well, as students enrolled in Gabelli online programs with four semester starts each calendar year, and PCS students may purchase coverage voluntarily. Students do not have to do a waiver. Students can go online and choose the part-time student plan. The student will not be charged for the insurance on their student account. The student will have to pay with a credit card.

All full-time domestic students' waiver requirements

Students who are enrolled in a health plan that is comparable to the Student Health Plan may waive the Fordham coverage through Aetna Student Health to provide proof of comparable coverage, a student will need to have information about his or her current health insurance plan readily available. By waiving the Fordham coverage, a student is confirming the following:

- The student is covered by the indicated medical insurance policy and will maintain coverage for the fall semester or the year.
- The student has compared their policy to the Student Health Insurance Plan and certifies that their plan provides benefits that are at least comparable to the Student Health Insurance Plan.
- The student’s plan provides reasonable comprehensive coverage of health services, including primary care, emergency services, surgical services, hospitalization benefits, ambulatory patient services, and mental health services, along with coverage for lab work, diagnostic x-rays, physical therapy, chiropractic care, and prescription coverage, and that these services are reasonably accessible in the area where the student is attending school.

Incomplete waivers would not be processed. Waivers must be completed every fall semester. Waivers are not carried over from previous years or semesters. **All waivers must be submitted by September 10.** Students who do not complete a waiver prior to the deadline will automatically be enrolled and charged for the semester in which the student is enrolled. Once the waiver is submitted, the charge will be removed from the student account. Students and authorized payers can verify the adjustment by logging in to my.fordham.edu ("My EBill").

Students are responsible for verifying that their waiver was submitted correctly. Students will receive an email confirmation after completing the waiver application to confirm that the application is approved or denied. If you do not receive an email, please call Aetna Student Health at 866-381-1529, so they can confirm if the waiver has been submitted or not.
Providing insurance information to other offices on campus (e.g., Athletics, Health Services, online portal, and loan applications) does not fulfill the waiver requirement. If a student does not complete the waiver through www.aetnastudenthealth.com before the deadline, he or she will automatically be enrolled in and charged for the Student Health Insurance Plan.

**International Students (F-1 or J-1)**

International students can learn more about their insurance requirements at [Fordham’s Office of International Students Health Insurance](#).

The deadline to complete the Insurance Registration Process is September 10. Please see the new changes to waive the student insurance plan below.

Aetna Student Health offers on-call interpreters as well as translation services for plan documents. Language services information can be found at [Aetna Student Health Language Services](#).

Fordham University will no longer allow insurance companies that do not meet or exceed the limits offered by Fordham University’s Student Health Insurance Plan. This is to ensure that all international students are covered by a plan that is comparable and accessible to provide health coverage.

**To meet these criteria, you must:**

- Maintain other insurance coverage that is equal to or greater than the Student Health Insurance Plan benefits and with no additional exclusions.
- The insurance company must be headquartered and operating in the US, with a US claims address and customer service telephone number.
- The plan must be ACA compliant (Affordable Care Act) and the plan must provide inpatient hospitalization benefits in the New York City area, including mental health benefits. The plan must provide outpatient benefits in the New York City area (including office visits, outpatient mental health visits, and laboratory and radiology procedures). Coverage for emergency-only care does not satisfy the requirement.
- The maximum benefit payable under the insurance plan must be unlimited. (no dollar limit) The insurance plan must include coverage for medical evacuation of at least USD $50,000 per year, repatriation of remains of at least USD $25,000 per year, and a deductible not to exceed USD $500 per year.

**The following types of insurance plans will not be acceptable for waiving the Fordham plan:**

- The plan must be ACA-compliant for travel policies with limited benefits and exclusions of coverage.
- Insurance plans always require students to pay for out-of-pocket treatment and then be reimbursed.
- Plans advertised as ACA Comparable do not satisfy the waiver requirement.
Continuation of Benefits

(Extension for a 90-day coverage is available for students who graduated in May and their coverage ends on August 22. Coverage is from August 23 to November 22. Students can go online to enroll at Aetna Student Health. The deadline to enroll is September 10.

Students can enroll in this Dental discount program.

- To enroll in this savings plan, click here: Fordham Enrollment Link.

Dependent Enrollment

Insured students have the option of enrolling their eligible dependents (a spouse or a child under the age of 26). You may also enroll dependents online at www.aetnastudenthealth.com.
Dependents must be enrolled for the same time period as the student. For example, a student enrolled beginning in the fall semester cannot purchase dependent coverage starting in the spring unless there is a qualifying life event (loss of coverage, new baby, marriage). Dependents enrolled for the fall must be re-enrolled for the spring and you are responsible for enrolling and re-enrolling your eligible dependents each semester. The deadline to enroll dependents is September 10, for the fall semester. Enrollment applications received after that date would not be accepted.

Enrollment after Waiving the Health Insurance Plan

After the waiver deadline, a student may enroll in the Student Health Insurance Plan only on the basis of a qualifying life event. Qualifying life events include marriage, the birth of a child, or loss of coverage from an existing policy. Students who qualify may submit an email to studentinsurance@fordham.edu and the Insurance Compliance Administrator will email you a qualifying event form.

Financial Hardships
Students can contact the Student Health Insurance Coordinator in the event they or their families experience financial hardship and need to explore alternate avenues for coverage procurement.

Insurance Questions or Concerns
Insurance questions or concerns should be directed to Fordham University Insurance Coordinator Maritza Rivera-Garcia at studentinsurance@fordham.edu or you can reach me at 718-817-4164.
