The Reimposition of Capital Punishment in New Jersey: Interim Reports, Parts I & II, submitted to the New Jersey Department of the Public Advocate and the New Jersey Supreme Court (1988) (with Leigh Bienen, Neil Weiner, Paul Allison, & Douglas Mills)

Longitudinal Study of the Biosocial Factors Related to Delinquency and Crime in Pennsylvania, 1959-1962 (Ann Arbor, Mich.: Inter-University Consortium for Political and Social Research) (1988)

The Reimposition of Capital Punishment in New Jersey: Homicide Cases from 1982-1986, Preliminary Reports, Parts I, II, submitted to the New Jersey Department of the Public Advocate and the New Jersey Supreme Court (1987) (with Leigh Bienen & Neil Weiner)

Biology, Crime, and Violence: New Evidence, final report submitted to the National Institute of Justice, U.S. Department of Justice (1986)

Longitudinal Study of Biosocial Factors Related to Delinquency and Crime, final report submitted to the National Institute of Justice, U.S. Department of Justice (1985)

A Longitudinal Study of the Theoretical and Empirical Bases of High-Risk Delinquent and Criminal Behavior: A Multi-Cohort, Multi-Wave Design, invited proposal submitted to the John D. and Catherine T. MacArthur Foundation (1983) (with Marvin Wolfgang, Robert Figlio, Paul Tracy, & Neil Weiner)

Sex Differences in Cognition and Crime: Early Developmental, Biological, and Environmental Correlates, final report submitted to the National Institute of Justice, U.S. Department of Justice (1982)

A Longitudinal Evaluation of the Attitudes, Self-Concepts, and Behaviors of Youths in a Delinquency Prevention Center, final report submitted to the National Institute of Justice, U.S. Department of Justice (1979)

Evaluating Community Awareness of A Youth Services Center, final report submitted to the National Institute of Justice, U.S. Department of Justice (1978)

Assessing the Impact of the Philadelphia Youth Services Center: An Analysis of Uniform Crime Reports, City Census Tracts, and Youth Services Center Data, final report submitted to the National Institute of Justice, U.S. Department of Justice (1978)

Preliminary Report on Phase I of the National Study of Plea Bargaining in the United States, Preliminary report submitted to the Law Enforcement Assistance Administration, U.S. Department of Justice (1976) (with Herbert Miller, William McDonald, & James Cramer)

Research Grant Awards

Recipient of a renewed five-year \$250,000 pledge to Fordham's Neuroscience and Law Center from the John and Diane Simpson Foundation to support the Center's future programs, conferences, and symposia (September 2022-2032)

Fordham Law School Annual Fund (via the family of Andrew Albstein) (2021)

The Barnet and Sharon Phillips Family Fund (2018-present)

Mr. and Mrs. John R. Costantino and the Gerald Edelman Post-Graduate Fellowship in Neuroscience (2015-present)

The Roger Sachs Family Foundation (2015-present)

The Reynolds Family Grant (2013-2014)

The Arthur and Charlotte Zitrin Foundation (2011-2013)

The Proteus Action League Death Penalty Campaign (2012-2015)

Atlantic Philanthropies (2012-2014)

Fordham University Faculty Research Grant (2011-2012, 2012-2013)

Fordham University Research Fellowships (fall 1997; fall 2001; spring 2006; fall 2010; spring 2015; fall 2019; fall 2023 and spring 2024)

Fordham University School of Law Summer Research Grants (1992-present)

Co-principal Investigator, Project Director. National Institute of Justice Award #5-0151-8-PA-IJ, Biological and Environmental Factors in Violent Crime: Juvenile and Adult Years (1985-88)

Co-principal Investigator, Project Director. National Institute of Justice Award #81-IJ-CX-0086, Center for the Interdisciplinary Study of Criminal Violence and A Longitudinal Study of Biosocial Factors (1984-85)

Project Director. National Institute of Justice Award #81-IJ-CX-0086, Center for the Interdisciplinary Study of Criminal Violence and a Longitudinal Study of Biosocial Factors (1983-84)

Project Director. National Institute of Justice Award #81-IJ-CX-0086, Center for the Interdisciplinary Study of Criminal Violence and a Longitudinal Study of Biosocial Factors (1982-83)

Project Director. National Institute of Justice Award #81-IJ-CX-0086, Longitudinal Study of Biosocial Factors Related to Delinquency and Crime (1981)

Project Director. National Institute of Justice Award #78-NI-AX-0125, Longitudinal Study of Biosocial Factors Related to Delinquency and Crime (1978-80)

Project Member. Law Enforcement Assistance Administration Award #78-JN-AX-0005, Evaluation of the South Philadelphia Youth Services Center (1977-79)

Project Member. Law Enforcement Assistance Administration Award #75-NI-99-0129, Plea Bargaining in the United States (1975-76)

In-court Expert Testimony

Baze et al. v. Rees, et al., No. 04-CI-1094, Franklin Circuit Court, Kentucky (April 18, 2005) [filed on August 9, 2004] (bench trial and civil lawsuit) (regarding the constitutionality of lethal injection)

State v. Breton, No. CR4-147941, Connecticut Superior Court (October 7, 1997) (writ of habeas corpus) (regarding the constitutionality of lethal injection)

Jones v. Butterworth, No. 81-4593-CF, Circuit Court of the Fourth Judicial Circuit, in and for Duval County, Florida (July 15, 1997) (writ of habeas corpus) (regarding the constitutionality of electrocution) (*cited in Jones v. State*, 701 So.2d 76 (Fla. 1997) (Shaw, J., dissenting)).

Ex parte Miguel A. Richardson, No. 81-CR-1548, 175th District Court of Bexar County, Texas and the Texas Court of Criminal Appeals (April 30, 1997) (writ of habeas corpus) (regarding the constitutionality of lethal injection)

Deposition Expert Testimony

Walker v. Johnson, et al., No. 1:05cv934, Eastern District of Virginia (May 2006) (writ of habeas corpus) (regarding the constitutionality of lethal injection)

Selected Honors, Memberships, and Professional Experience

Recipient of the ABA Criminal Justice Section's *Raeder-Taslitz Award*. The *Raeder-Taslitz Award*, given in memory of Myrna Raeder and Andrew Taslitz, is for those who "exemplify ethical and professional conduct, demonstrate excellence in scholarship, teaching, or community service, and have made a significant contribution to promoting public understanding of criminal justice, justice and fairness in the criminal justice system, or best practices on the part of lawyers and judges" (April 12, 2024)

Recipient of the Larry H. Strasburger, MD Award from the Program in Psychiatry and the Law ("PIPATL") at the Massachusetts Mental Health Center and the Beth Israel-Deaconess Medical Center at Harvard Medical School (September 13, 2023)

International Neuroethics Society (INS) presentation award winner for the "Best Topical Contribution—Neurolaw Policy" at the INS's 2022 Annual Meeting (2022)

Fordham Law School's most cited faculty (2018) (In 2018, Fordham Law School was recognized as one of the "top 50 law schools based on scholarly impact." I was listed as one of the law school's ten professors who were "named among the most cited scholars in 2018" (2018), at <http://leiterlawschool.typepad.com/leiter/2015/09/top-40-law-faculties-in-scholarly-impact-2015.html>).

Among the list of the top 250 influential authors in HeinOnline's ScholarCheck, which tracks the number of times articles are cited by other articles and cases, as well as the number of times articles have been accessed within the past year (2019), at https://home.heinonline.org/top_authors/

Among top 10% of authors on SSRN by downloads from April 2017 to May 2022 (and ongoing)

Among top 2-5% of downloads on academia.edu: <https://fordham.academia.edu/DeborahDenno> (May 1, 2016-present)

Teacher of the Year, Fordham University School of Law (May 23, 2016)

Fordham Faculty Scholarship Spotlight (2013, 2016) (highlighting specific articles of merit)

Board of Advisors, Death Penalty Information Center (September 2014-present)

Advisor, American Law Institute's Revision of Model Penal Code: Sexual Assault and Related Offenses (March 2012-present)

Champion Magazine's Getting Scholarship Into Court Project selection of Deborah W. Denno's *Courts' Increasing Consideration of Behavioral Genetics Evidence in Criminal Cases: Results of a Longitudinal Study*, 2011 MICHIGAN STATE LAW REVIEW 967-1047 "as one of the articles 'the project's advisory board recommends that practicing lawyers take the time to read'" (March 2013, p. 47)

Scholarship and Certificate of Attendance for University of Pennsylvania's Intensive Summer Institute of Neuroscience (ANeuroscience Boot Camp)," Philadelphia, Pennsylvania (August 12, 2009)

Invited member, Women's Power Summit on Law & Leadership, Center for Women in Law, The University of Texas School of Law (2009)

Selected as one of the *National Law Journal's* "Fifty Most Influential Women Lawyers In America" (June 2007)

Fordham University's Top Newsmaker of the Year (2006-2007) (From *Fordham Magazine* (Fall 2007): "Deborah Denno is Fordham's undisputed champ. During the 2006-2007 academic year, she racked up a remarkable 395 media hits.")

Admitted to the Bar of Pennsylvania (1990) and the Third Circuit Court of Appeals (1991)

Member. The American Law Institute (December 2000-present); Member of the American Law Institute Consultative Group on Model Penal Code: Sentencing (2001-present)

Member. The Fellows of the American Bar Foundation (July 2007-present) (membership is limited to one third of one percent of all American lawyers)

Professional Memberships: American Bar Association (1991-present), American Psychological Association (1999-present), American Society of Criminology (1977-present), Law & Society Association (1991-present), Neuroethics Society (2006-present); New York Academy of Sciences (2002-present), Psi Chi National Honor Society in Psychology (2003-present), Society for the Psychological Study of Social Issues (2003-present)

Advisory Board Member. *Ohio State Journal of Criminal Law* (2002-present)

Advisory Board Member. The Advisory Committee of the New York State Defenders Association's Death Penalty Documentation Project (1998-present)

Advisory Board Member. Children's Lead Project (1998-2000)

Advisory Board Member and Consultant for EPA Grant Award, "Lead, Water Fluoridation, and Toxicity," organized by the Dartmouth Office of the Gruter Institute for Law and Behavioral Research (1998-2000)

Member. Stein Scholar's Program, Fordham University School of Law (1994-present)

Journal Referee. LANCET, LAW AND SOCIETY REVIEW, CRIMINOLOGY, CRIME AND BEHAVIOR, JOURNAL OF JUSTICE QUARTERLY, NEW ENGLAND JOURNAL OF MEDICINE

Member. The United States Sentencing Commission's Task Force on the Relationship Between Drugs and Violence (1994-1997)

Member. Executive Committee, Criminal Justice Section of the Association of American Law Schools (1991-1998)

Consultant. "Lead Exposure, Attention Deficit Disorder, and Delinquency." Western Psychiatric Institute and Clinic, University of Pittsburgh Medical Center (June, 1993-1996) (project testing the relationship between lead levels, achievement, and delinquency)

Consultant. Paul, Weiss, Rifkind, Wharton & Garrison (December 1993-1995) (regarding the constitutionality of lethal injection)

Authored written testimony for the *Coalition Against Childhood Lead Poisoning*, submitted before the Maryland State Senate in an effort to prevent the repeal of Maryland's Lead Poisoning Act (March 10-15, 1995)

Deputy Editor. JOURNAL OF JUSTICE QUARTERLY (1993-1995)

Associate Consultant. JOURNAL OF CRIMINAL LAW AND CRIMINOLOGY (1990-1993)

Consultant. Philadelphia Psychiatric Center, Project on "Childhood Predictors of Violent and Criminal Behavior" (1992) (statistical consultant for the Project's use of a data base consisting of multidisciplinary factors)

Consultant. New Jersey Proportionality Review Project, Office of the Public Defender, Trenton (1991-92) (regarding the analysis of homicide data and data collection)

Consultant. Office of Technology Assessment, Congress of the United States (June, 1991) (for the Office's report on *The Biology of Mental Disorders*)

Editorial Consultant. ADVANCES IN CRIMINOLOGICAL THEORY (1984-1991)

Consultant. Committee on Law and Justice, National Research Council/National Academy of Sciences, Commission on Behavior and Social Science and Education (1986)

Consultant. Aspen Systems Corporation (topics on Criminology and Criminal Law) (1986)

Peer Reviewer. Program of Research on the Causes and Correlates of Delinquency, Office of Juvenile Justice and Delinquency Prevention, National Institute of Justice (1986)

Member. Policy Committee for Doctoral Programs, the Wharton School, University of Pennsylvania (1985-86)

Statistical Consultant. Jerome Beck, M.D., Philadelphia (1984) (analyzing medical data)

Expert Testimony. Howard Kaiser, Esq., Philadelphia (1983) (on the waiver of juveniles to adult court)

Fordham Law School Neuroscience and Law Center's Major Symposia

- Breakthrough Discoveries in Dementia and the Law – March 2027
- A New Model for Advancing Public Safety: Promoting Stability and Accountability Through our Courts and Community Interventions – October 2026
- Breakthrough Brain Discoveries and the Law – February 2025
- What's Up with TikTok, Twitter (X), Meta, Etc.? The Law and Neuroscience of Social Media – October 2024
- The New AI: The Legal and Ethical Implications of ChatGPT and Other Emerging Technologies – November 2023
- The Law and Neuroscience of Mass Shootings – November 2022
- Dementia and the Law – March 2022
- Mental Health and the Legal Profession – November 2020
- Cutting-Edge Developments in Neuroscience and Law – February 2020
- The Rise of the Machines: Artificial Intelligence, Robotics, and the Reprogramming of Law – February 2019
- The Diagnoses, Treatment, and Prevention of Concussion – October 2018
- The Future of Neuroscience and Law – February 2018
- Brain Dysfunction and the Courtroom – March 2017
- When Law and Neuroscience Collide – February 2016
- Neuroscience and Sentencing – October 2015

Invited Papers, Workshops, Panels, and Talks

2026

The Evolving Role of Neuroscience and Artificial Intelligence in the Criminal Justice System. Talk to be presented at the Bocconi University conference on “Transnational Issues of Contemporary Criminal Procedure,” Milan, Italy (October 2026)

Why Mens Rea Disappears: A Nationwide Study of Jury Instructions on Mental State. Talk presented at the 2026 CrimFest Annual Meeting, Fordham Law School, New York, New

York (July 14, 2026)

Interpreting and Weighing Scientific and Behavioral Evidence in Court. Virtual talk presented at the Thomas R. Kline Center for Judicial Education in the Thomas R. Kline School of Law at Duquesne University, for the Judges Training Program on “Mental Health in the Courtroom,” Pittsburgh, Pennsylvania (April 23, 2026)

Exam Preparation and Grading. Talk presented at the Fordham Faculty “Spring Lunch Discussion on Teaching,” Fordham Law School, New York, New York (April 20, 2026)

Discussant (virtual) for “A Neurolaw Manifesto,” keynote given at the 2026 International Neuroethics Society Annual Meeting, Stanford University, Palo Alto, California (April 17, 2026)

The Twelve Decade Neuroscience and Law Study: 1900-2022. Talk presented at the 2026 International Neuroethics Society Annual Meeting, Stanford University, Palo Alto, California (April 15, 2026)

The Science of the Lie: Prosecutorial Reliance on Neuroscience to Challenge Defendants' Mental Health Claims. Video presentation at the 2026 International Neuroethics Society Annual Meeting, Stanford University, Palo Alto, California (April 15-17, 2026)

Neurotech, Privacy, and Consent in Criminal Law: Insights from Twelve Decades. Talk presented at the 2026 Jaharis Health Law Institute (DePaul University College of Law) Symposium, “Wired Minds, Legal Lines: Governing Neurotechnology, Chicago, Illinois (March 12, 2026)

Neuroscience & Law: How Evidence is Used in the Courtroom w/Lawyer & Criminologist Dr. Denno: Part 1 and Part II. Question & Answer in the Know Brainer Podcast with Dr. Jaya Viswanathan on YouTube (March 6, 2026)

The Luigi Mangione Case. Talk presented at Fordham Law School’s Admitted Students’ Day, Fordham Law School, New York, New York (March 6, 2026)

The Upside Down Eighth Amendment. Talk presented at the 18th Annual Law & Society Symposium, “Governance of the Body: Law, Autonomy, and the State,” co-hosted by the Charleston Law School Law Review and the Riley Institute at Furman University, Charleston, South Carolina (February 20, 2026)

2025

An Empirical Study of Malingering in Insanity Cases Across Twelve Decades. Virtual talk presented at the ABA Criminal Justice Section Academics Committee and AALS Criminal

Law Section works-in-progress roundtables workshop on “Mental Disorders, Criminal Litigation, and Punishment” (December 2, 2024)

The Death Penalty and Neuroscience in Practice. Informal talk given to an undergraduate Civil Rights and Civil Liberties class at Barnard College (taught by Professor Paula Franzese), New York, New York (November 17, 2025)

How Prosecutors and Defense Attorneys Differ in Their Use of Neuroscientific Evidence. Talk presented at the 2025 Annual Meeting of the American Society of Criminology, Washington, D.C. (November 12, 2025)

Are LLMs a Responsible Use of AI in Neuroscience and Law Research? Talk presented at the Fordham University Responsible AI Symposium, New York, New York (October 17, 2026)

The Science of the Lie: Prosecutorial Reliance on Neuroscience to Challenge Defendants' Mental Health Claims. Talk presented at the University of North Carolina Law School (Law Review Symposium) on the “Legal and Ethical Implications of Neuroscience,” Chapel Hill, North Carolina (October 10, 2025)

Breakout Host (online). *A Career in Neuroscience and Law.* Talk presented at the Dana Foundation Career Network in Neuroscience and Society (September 8, 2025)

Neurolaw in the Courtroom. Talk presented at the Neurolaw Bootcamp (on-line), co-sponsored by the Shen Neurolaw Lab (University of Minnesota), the Center for Law, Brain & Behavior at Massachusetts General Hospital, the Dana Foundation, and the Neurotech Justice Accelerator at Mass General Brigham (NJAM) (August 29, 2025)

Why Are Executions Getting Crueler? Talk presented at the 2025 Law and Society Annual Meeting, Chicago, Illinois (May 25, 2025)

The Twelve-Decade Neuroscience Study. Talk presented at the Fordham University School of Law, “Ten-Ten,” New York, New York (March 11, 2025)

Neuroscientific Evidence. Co-discussant at Professor Maggie Wittlin’s Seminar, Fordham University School of Law, New York, New York (March 11, 2025)

Introduction to Criminal Law: The Bryan Kohber Case. Mock Class presented for Admitted Students’ Day, Fordham University School of Law, New York, New York (March 8, 2025)

Nitrogen Hypoxia in Context. Talk presented at the *Ohio State Criminal Law Journal* Symposium on “The Death Penalty and the Capital Habeas Process,” Moritz College of Law, Columbus, Ohio (February 7, 2025)

Welcome and Introduction. Talk presented at Fordham University School of Law's Center on Neuroscience and Law's Webinar symposium on "Breakthrough Brain Discoveries and the Law," Fordham Law School, New York, New York (February 5, 2025)

Fireside chat. Mental Health and Crime: A Path to Safety for All. Q&A Exchange with Manhattan District Attorney Alvin Bragg. Fordham University School of Law, New York, New York (January 16, 2025)

A Study of How Actors in the Criminal Justice System Use Social Neuroscientific Evidence. Talk presented at the 2025 Annual Meeting of the Association of American Law Schools (AALS), Empirical Study of Legal Education and the Legal Profession, San Francisco, California (January 11, 2025)

How Prosecutors and Defense Attorneys Differ in their Use of Neuroscientific Evidence: A Renewed Description of What "The Law" Is. Talk presented at the 2025 Annual Meeting of the Association of American Law Schools (AALS), Scholarship, "Interdisciplinarity," Co-Sponsored by Law and the Humanities, San Francisco, California (January 10, 2025)

The Tightrope of Teaching Rape Law. Talk presented at the 2025 Annual Meeting of the Association of American Law Schools (AALS), AALS Discussion Group, "Tightrope: Teaching Criminal Law to First-Year Students in a Polarized Moment," San Francisco, California (January 8, 2025)

2024

How is Neuroscience Being Used in Criminal Law? Discussion presented in Season 4 (Episode 1) of the podcast series, "Lobes and Robes" (with Professor Susan Carle and Dr. Colin Saldana) (December 19, 2024)

Welcome and Introduction. Talk presented at the 15th Fordham Law-Psychology Forum on "The Challenge of Exoneree Re-integration," Fordham University, New York, New York (December 6, 2024)

Empirical Use of Neuroscientific Evidence in Criminal Justice Systems Worldwide. Talk presented at the "Secret Life of Law – Seminars," The Jean Monnet Center for International and Regional Economic Law & Justice, New York University School of Law, New York, New York (December 3, 2024)

The Neuroscience of Brain Injury in Criminal Cases: An International Scope. Talk presented at the ABA Criminal Justice Section Academics Committee and AALS Criminal Law Section works-in-progress roundtables workshop on "Empirical Approaches" (December 2, 2024)

Welcome and Introduction. Talk presented at Fordham University School of Law's Center on Neuroscience and Law's Webinar symposium on "What's Up With TikTok, Twitter (X),

Meta, Etc.? *The Law and Neuroscience of Social Media*,” New York, New York (October 30, 2024)

Panelist. *Lessons Learned*. A panel for the symposium, “The Spirit of 1974: Breaking Through
▪ Going First,” University of Virginia, Charlottesville, Virginia (September 26, 2024) (commemorating “the challenges faced by the Class of 74, the first class of women to co-educate UVA”)

Moderator. *Applying Neuroscience in the Courtroom*. A panel as part of a two-day event titled “Neuroscience and Society: A Life Course Approach to Brain Health,” occurring during the Global Brain Coalition series at the Science Summit at the 79th United Nations General Assembly (European Brain Council), Cure, New York, New York (September 20, 2024)

Speaker. *Dana Foundation Career Network in Neuroscience and Society— Virtual Career Fair 2024*. Career Fair Breakout Room. Hosted by the Harvard Medical School Center for Bioethics & MGH Dept. of Psychiatry (September 12, 2024).

Neuroscientific Evidence and Punishment Theory. Talk presented at the 2024 CrimFest Annual Meeting, Cardozo Law School, New York, New York (July 17, 2026)

Discussant. Fordham Law School faculty discussion of recent Supreme Court rulings (discussing *United States v. Rahimi*), New York, New York (June 27, 2024)

Sponsor. University-invited request to serve as the sponsor (host) of honorary-degree recipient Sr. Helen Prejean (author of *Dead Man Walking*) during the University’s 179th Commencement (May 18, 2024)

Andrea Yates, Continued. Talk presented at the Program in Psychiatry and the Law (“PIPATL”), Harvard Medical School, Massachusetts Mental Health Center School (May 15, 2024)

An Overview of An Empirical Study of Neuroscientific Evidence in Criminal Cases (1900-2020). Talk presented at the ABA Criminal Justice Section Spring 2024 Conference, Forensic Science and Information Technology Institute, San Diego, California (April 12, 2024)

The Prospect of Physician Participation in Six Execution Methods. Virtual talk presented at the Columbia University "Special Topics Clinical Ethics" course for bioethics graduate students, New York, New York (April 10, 2024)

The Execution Methods Dilemma. Faculty guest at Professor Jeff Fagan’s Death Penalty Seminar, Columbia University School of Law, New York, New York (March 25, 2024)

Alabama’s Push for Nitrogen Hypoxia. Talk presented at the Program in Psychiatry and the Law (“PIPATL”), Harvard Medical School, Massachusetts Mental Health Center School (January 24, 2024)

2023

Race and the Indelible Dollree Mapp. Talk presented at the ABA Criminal Justice Section Academics Committee and AALS Criminal Law Section works-in-progress roundtables workshop on “Constitutional Rights & Criminal Law” (November 17, 2023)

Neuroscience and the Plunging Use of the Insanity Defense. “Thematic Session Talk” presented at the 2023 Annual Meeting of the American Society of Criminology, Philadelphia, Pennsylvania (November 17, 2023)

Author Meets Critics: “Judging Insanity, Punishing Difference: A History of Mental Illness in the Criminal Court Neuroscience and the Plunging Use of the Insanity Defense” (book author: Chloe Deambrogio, Merton College, Oxford). Talk presented at the 2023 Annual Meeting of the American Society of Criminology, Philadelphia, Pennsylvania (November 16, 2023)

The Criminal Justice System’s Use of Neuroimaging from 1900—2022: What Does It Mean? “Lightening Talk” presented at the 2023 Annual Meeting of the American Society of Criminology, Philadelphia, Pennsylvania (November 16, 2023)

Moderator. “*Of Another Mind: The Ethical Implications of AI Achieving Sentience*.” Symposium on “The New AI: The Legal and Ethical Implications of ChatGPT and Other Emerging Technologies,” New York, New York (November 3, 2023)

Moderator. *Age Prohibitions* panel. Colloquium on “Public Health, History, and the Future of Gun Regulation after *Bruen*,” Fordham University School of Law, New York, New York (October 13, 2023)

Speaker. *Dana Foundation Career Network in Neuroscience and Society— Virtual Career Fair 2023* Breakout Room. Hosted by the Harvard Medical School Center for Bioethics & MGH Dept. of Psychiatry (September 14, 2023)

Speaker as the recipient of the Larry H. Strasburger, MD Award from the Program in Psychiatry and the Law (“PIPATL”) at the Massachusetts Mental Health Center and the Beth Israel-Deacones Medical Center at Harvard Medical School (September 13, 2023)

Vulnerable Defendants and Neuroscience in Courtrooms Throughout the World. Talk presented at the book launch of *NEUROLAW IN THE COURTROOM: COMPARATIVE PERSPECTIVES ON VULNERABLE DEFENDANTS* (series in *CONTEMPORARY ISSUES IN CRIMINAL JUSTICE AND PROCEDURE*), at the University of Sunderland, London, England (July 28 2023)

Academic presenter and facilitator for a panel on *Criminal Law and Procedure*, sponsored by the Institute of Judicial Administration (IJA), *IJA 64th New Appellate Judges Seminar (AJS)*, New York University School of Law, New York, New York (July 19, 2023)

Race and the Indelible Dollree Mapp. Talk presented at the 2023 CrimFest Annual Meeting, Brooklyn Law School, New York, New York (July 17, 2023)

The Chaos and Cruelty of U.S. Execution Methods. Talk presented at the Program in Psychiatry and the Law (“PIPATL”), Harvard Medical School, Massachusetts Mental Health Center School (June 28, 2023)

Teaching Dementia and the Law. Talk presented at the 2023 AALS Aging and the Law Section's program on Speed-Sharing: Teaching Elder Law Topics (June 21, 2023)

U.S. Methods of Execution: An Overview. Talk presented at the Federal Judicial Center’s 2023 National Conference for Appellate Staff Attorneys, Miami, Florida (June 7, 2023)

The Evolution of Brain Scan Imaging Across the Century. Talk presented at the Program in Psychiatry and the Law (“PIPATL”), Harvard Medical School, Massachusetts Mental Health Center School (May 24, 2023)

Panelist. *Working With the Media.* Panel talk presented at the Fordham Law School Faculty Retreat, New York, New York (May 24, 2023)

Scientific Evidence. Co-discussant at Professor Maggie Wittlin’s Seminar, Fordham University School of Law, New York, New York (April 26, 2023)

Neuroscience Evidence in Criminal Cases. Podcast conversation with Professor Ed Cheng for Excited Utterance (“a podcast focusing on the law of evidence and proof” <https://excitedutterance.com/>) (April 24, 2023)

John D. Feerick Award to Max Dylan Kaufman. Talk presented at the Fordham Law Review Alumni Dinner, New York Athletic Club, New York, New York (April 12, 2023)

Introduction to Criminal Law: The Alex Murdaugh Case. Mock Class presented for Admitted Students’ Day, Fordham University School of Law, New York, New York (March 31, 2023)

Neuroscience and Sentencing. CLE talk presented at Duquesne University as part of a collaboration between the AOPC Judicial Education Department and the Thomas R. Kline Center for Judicial Education at the Thomas R. Kline School of Law, Duquesne University (March 30, 2023)

Approaches to Legal Scholarship: Law and Behavioral Science. Talk presented at the SJD Colloquium, Fordham Law School, New York, New York (March 22, 2023)

Back to the Future with Execution Methods. Virtual talk presented at California Western School of Law, for the International Law Journal's Symposium on Capital Punishment, San Diego, California (February 24, 2023)

The Criminal Justice System's First Peek Inside a Defendant's Living Brain. Virtual talk presented at the Law & Neuro Workshop, Harvard Medical School Center for Bioethics & Massachusetts General Hospital Department of Psychiatry, Boston, Massachusetts (February 21, 2023)

Panelist. *Fordham Law Teaching Retreat.* Talk presented on "ChatGPT: Potential Uses, Problems, and Observations." Fordham Law School, New York, New York (February 2, 2023)

2022

Law, Criminal Justice, And Neuroscience. Talk presented at the International Conference of Restorative Justice: Psychology, Criminal Justice, Socio-Neuroscience, Hong Kong Shue Yan University, Braemar Hill, Hong Kong (December 10, 2022) (concurrently on zoom)

Panelist. *Physician Participation in Executions.* Virtual talk presented at the Columbia University "Special Topics Clinical Ethics" course for bioethics graduate students, New York, New York (December 7, 2022)

How Prosecutors and Defense Attorneys Differ in Their Use of Neuroscientific Evidence. Virtual talk presented at the ABA-AALS-Academy for Justice Workshop, panel on "Evidence: Science, Experts, and FRE Issues" (December 2, 2022)

Science and the Courts. Co-discussant at Judge Jed Rakoff's Seminar, Columbia University School of Law, New York, New York (November 30, 2022)

Neuroethics and the Plunging Use of the Insanity Defense Across Twelve Decades. Talk presented at the 2022 Annual Meeting of the International Neuroethics Society, Montreal, Canada (November 2-4, 2022) (INS award winner of the "Best Topical Contribution—Neurolaw Policy")

Welcome and Introduction. Talk presented at Fordham University School of Law's Center on Neuroscience and Law's Webinar symposium on "The Neuroscience and Law of Mass Shootings," Fordham Law School, New York, New York (November 1, 2022)

Neuroscience and Innovative Sentencing in Courtrooms. Talk presented at the Virtual Annual Meeting of the International Society for the Reform of Criminal Law (October 20, 2022) (hosted by Europe and Africa)

How Courts in Criminal Cases Respond to Childhood Trauma: An Example of Ways a Socio-Environmental Excuse Can Translate into a Defense in Criminal Trials. Talk presented at

The Max Planck Institute for the Study of Crime, Security and Law, Freiburg, Germany (Academic Workshop on “Rethinking the Social Environment in Criminal Law Theory and Doctrine”) (September 23, 2022)

Panelist. *Healthcare Professionals on Death Row*. Virtual talk presented at “The Amicus ‘On Death Row’ Discussion Series,” Hampshire, United Kingdom (July 26, 2022)

Neuroscience and the Personalization of Criminal Law. Talk presented at the 2022 CrimFest Annual Meeting, Cardozo Law School, New York, New York (July 18, 2022)

The Legal System’s Centuries-Long Quest to See Inside A Defendant’s Brain. Virtual talk presented at the Annual Meeting of the Law and Society Association panel on “Science, Technology and Expertise: Challenges Old and New,” Lisbon, Portugal (July 16, 2022)

Session Chair and Discussant. *Science, Technology and Expertise: Challenges Old and New*. Virtual panel held at the Annual Meeting of the Law and Society Association panel on “Science, Technology and Expertise: Challenges Old and New,” Lisbon, Portugal (July 16, 2022)

How Neuroscientific Evidence Drives Mitigation in Death Penalty Cases. Talk presented at the Death Penalty Information Center’s Friday Conversation Series, Washington, D.C. (July 8, 2022)

Science and the Courts. Co-discussant at Judge Jed Rakoff’s Seminar, New York University School of Law, New York, New York (April 8, 2022)

Samuel Pillsbury’s Science of Mind. Talk presented at Loyola Law School, Los Angeles, for the Festschrift Symposium, “Celebrating the Work of Samuel H. Pillsbury,” Los Angeles, California (March 25, 2022)

Welcome and Introduction. Talk presented at Fordham University School of Law’s Center on Neuroscience and Law’s Webinar symposium on “Dementia and the Law,” Fordham Law School, New York, New York (March 1, 2022)

Advisory Board Member, Advisory Board Meeting of the Death Penalty Information Center, Washington, D.C. (virtual meeting on Zoom) (February 28, 2022)

How Neuroscience Drives the Legal System. Talk presented at the Program in Psychiatry and the Law (“PIPATL”), Harvard Medical School, Massachusetts Mental Health Center School (February 16, 2022)

Co-discussant. *Juveniles: The Intersection of Mental Disabilities and the Criminal Justice System*, Gonzaga University School of Law, Spokane, Washington (class conducted by Professor Elizabeth Kelley) (February 15, 2022)

How Experts Have Dominated the Neuroscience Narrative in Criminal Cases for Twelve Decades: A Warning for the Future. Faculty workshop at Fordham University School of Law, New York, New York (February 10, 2022)

Introduction to Criminal Law. Mock Class presented for Admitted Students' Day, Fordham University School of Law, New York, New York (February 4, 2022)

2021

Panelist. Virtual Faculty-Student-Staff Conversation: *The Rittenhouse Verdict*, Fordham University School of Law, New York (November 23, 2021)

Advisory Board Member, Advisory Board Meeting of the Death Penalty Information Center, Washington, D.C. (virtual meeting on Zoom) (November 8, 2021)

The Plummeting Use of the Insanity Defense Across Twelve Decades: 1900-2020. Talk presented at the American Bar Association Academy for Justice, Criminal Justice Workshopping Roundtable, in the panel on Psychology, Neuroscience, and Criminal Law (November 5, 2021)

How Experts Have Dominated the Neuroscience Narrative in Criminal Cases for Twelve Decades: A Warning for the Future. Talk presented at the Crime, Law and Deviance Workshop, NYU Sociology Department, New York (Oct. 27, 2021)

The Intersection of Law and Neuroscience. Talk presented for CAFE, Vox Media (Zoom) (October 26, 2021)

Panelist. Virtual panel on *Legal Challenges to Execution Methods*, Ohio Justice & Policy Center (OJPC), Columbus, Ohio (September 9, 2021)

An Empirical Study of the Insanity Defense Across Twelve Decades: 1900-2020. Talk presented at the 2021 Virtual CrimFest Annual Meeting (July 19, 2021)

Commentator. Virtual Annual Meeting of the American Law Institute, Model Penal Code: Sexual Assault and Related Offenses (June 7-8, 2021) (two-day voting process for members to approve drafts)

Advisory Board Member, Advisory Board Meeting of the Death Penalty Information Center, Washington, D.C. (virtual meeting on Zoom) (June 3, 2021)

The Sea Change over a Century: The Impact of Neuroscientific Evidence on Criminal Cases from 1900-2020. Talk presented at the 2021 Virtual Law and Society Annual Meeting (May 29, 2021)

Science and the Courts. Co-discussant at Judge Jed Rakoff's Seminar, New York University School of Law, New York, New York (April 14, 2021)

Neuroscience Can be "Good," But Only When It's Used the Right Way. Talk presented at the Texas Habeas Assistance and Training Project (Texas HAT) webinar, "The Good, the Bad, and the Ugly of Neuroscience Evidence" (virtual program on Zoom) (April 9, 2021)

Panelist. *The Future of Neuroscience.* "Forever Learning," The Fordham University Alumni Association, Fordham University, New York, New York (April 8, 2021)

Advisory Board Member, Advisory Board Meeting of the Death Penalty Information Center (virtual meeting on Zoom) (March 12, 2021)

How the Plummeting Use of the Insanity Defense Helps Predict the Future of Law and Neuroscience. Talk presented at the WILLIAM & MARY LAW REVIEW's virtual symposium on the "Future of Law and Neuroscience" (February 19, 2021)

Empirical Research and the Study of Law. Talk presented at the Discussion Group on "Low-Tech Works: Teaching Data, Teaching Justice," at the 2021 Virtual AALS Annual Meeting (January 6, 2021)

Panelist. *Irresponsibility, Reconsidered.* Webinar at the 2021 Virtual AALS Annual Meeting (January 4, 2021)

2020

Science and the Courts. Co-discussant at Judge Jed Rakoff's Seminar, Columbia University School of Law, New York, New York (December 9, 2020)

The Impact of Neuroscientific Evidence on Criminal Cases over the Century: 1900-2020. Talk presented at Fordham Law School's *Faculty on the Road (virtual series)* (December 2, 2020)

Advisory Board Member, Advisory Board Meeting of the Death Penalty Information Center (virtual meeting on Zoom) (November 16, 2020)

Welcome and Introduction. Talk presented at Fordham University School of Law's (virtual) symposium on "Mental Health and the Legal System," co-sponsored with the Fordham Law Review, the Neuroscience and Law Center, the Center on Race, Law, and Justice, and the Stein Center for Law and Ethics, Fordham Law School, New York, New York (November 6, 2020)

Advisory Board Member, Meeting of the American Law Institute's Model Penal Code: Sexual Assault and Related Offenses (virtual meeting on Zoom) (November 5, 2020)

Insanity and Neuroscience Over the Decades. Talk presented at the NACDL's 2020 Presidential Summit & Sentencing Symposium on *Prison Brake: Rethinking the Sentencing Status Quo*, Georgetown Law Center, held in conjunction with the *American Criminal Law Review*, Washington, D.C. (October 22, 2020)

Teaching In-Person During the Fall 2020 Semester. Family Day at Fordham Law School, New York, New York (October 18, 2020)

Panelist. *Preparing for the Semesters Ahead.* Fordham University School of Law BALSAs "LEAD" orientation for incoming 1Ls, New York, New York (September 9, 2020)

Panelist. *Facilitating Student Engagement.* Fordham University School of Law ("Teaching On-Line Effectively" Series), New York, New York (June 23, 2020)

Panelist. *Law in the Age of COVID-19.* Fordham University School of Law (Office of Admissions), New York, New York (April 21, 2020)

Malingering. Talk presented at the Fordham University School of Law "Ten-Ten," New York, New York (March 3, 2020)

Welcome and Introduction. Talk presented at Fordham University School of Law's Center on Neuroscience and Law's symposium on "Cutting Edge Developments in Neuroscience and Law," Fordham Law School, New York, New York (February 25, 2020)

How Neuroscience Makes Criminal Law More Personalized. Talk presented at the symposium on "Neuroscience and the Law," Seton Hall School of Law, Newark, New Jersey (February 14, 2020)

Neuroscience and the Personalization of Criminal Law: An Interdisciplinary Approach. Talk presented at the University of Chicago Neuroscience Club, University of Chicago, Chicago, Illinois (January 9, 2020)

2019

Race and the Indelible Dollree Mapp. Talk presented at the UNIVERSITY OF THE PACIFIC LAW REVIEW symposium titled, "The Warren Court's Criminal Procedure Revolution: A 50-Year Retrospective," Sacramento, California (October 10-11, 2019)

Discussant. *Neuroscience Perspectives on Crime and Punishment.* Center for Neuroscience & Society Tenth Anniversary Reunion, University of Pennsylvania, Philadelphia, Pennsylvania (August 2, 2019)

Courts' Treatment of Neuroscience in Capital Cases. Talk presented at the New York City Bar Association's Annual Capital Habeas CLE Program, NYC Bar Association, New York,

New York (July 25, 2019)

Malingering. Talk presented at CrimFest 2019, Brooklyn Law School, New York, New York (July 15, 2019)

Highlights of Fordham Law School's Neuroscience and Law Center. Talk presented at “Team Tuesday” for Development and University Relations, Fordham University, Office of Human Relations, New York, New York (June 4, 2019)

Examining Bucklew v. Precythe. Talk presented at the Fordham Law School Faculty Retreat, the Court’s Panel, New York, New York (May 17, 2019)

Moderator. *Sexual Assault and Gender Justice*. Conference on “Progress and Challenges in Criminal Justice and National Security” in honor of Professor Stephen Schulhofer’s career and scholarship. New York University School of Law, New York, New York (April 26, 2019)

Faculty Spotlight—Contemporary Legal Issues—Neuroscience and the Law. Talk presented at Admitted Students Day, Fordham University School of Law, New York, New York (April 14, 2019)

The New Neuroscience in the Legal System. Talk presented at the BioLaw Lapalooza 3.0, Stanford Law School, Palo Alto, California (March 30, 2019)

The Neuroscience and Law Center. Talk presented at the Sponsored Research Day: Fordham University Office of Research and the University Research Council, Fordham University, New York, New York (March 13, 2019)

Tribute to William Pickering Jones III. Tribute preceding “Do No Harm? Assessing the Supervised Injection Site Solution,” Fordham University School of Law, New York, New York (February 27, 2019)

Welcome and Introduction. Talk presented at a joint symposium held by Fordham University School of Law’s Center on Neuroscience and Law and the *Fordham Law Review*, entitled “Rise of the Machines: Human-Like Artificial Intelligence, Robotics, and the Reprogramming of Law,” Fordham Law School, New York, New York (February 20, 2019)

2018

How Courts in Criminal Cases Respond to Childhood Trauma. Talk presented for Marquette University Law School’s annual George and Margaret Barrock Lecture in Criminal Law, Milwaukee, Wisconsin (November 15, 2018)

“On the Issues” About Childhood Trauma. Panel discussant for the “On the Issues” series, Marquette University School of Law’s Lubar Center, Milwaukee, Wisconsin (November 15, 2018)

What’s Coming Before the Supreme Court: Bucklew and Madison. Talk presented at the SCOTUS Highlights Panel, Fordham Law School, New York, New York (October 31, 2018)

Malingering. Talk presented at the Criminal Justice Roundtable, Vanderbilt Law School, Nashville, Tennessee (October 27, 2018)

Welcome and Introduction. Talk presented at the Fordham University School of Law’s Center on Neuroscience and Law’s symposium on “Concussion: Medical, Legal, and Sociological Dimensions,” New York, New York (October 17, 2018)

Teaching Criminal Law. Demonstration presented at Family Day, Fordham Law School, New York, New York (September 30, 2018)

Back to the Future With Execution Methods. Talk presented at the SEALS discussion group, Fort Lauderdale, Florida (August 6-12, 2018)

How Much Does Neuroscience Evidence Cost? Talk presented at the 2018 Annual CrimFest Conference, Benjamin N. Cardozo School of Law, New York, New York (July 15, 2018)

Neuroscience and the Legal System, Talk presented at the Albert Einstein College of Medicine, New York, New York (June 7, 2018)

A Bayesian Analysis of Neuroscientific Evidence. Talk presented at presented at the Fordham Law School Faculty Retreat, New York, New York (May 17, 2018)

Neuroscience and the Personalization of Criminal Law. Talk presented at the UNIVERSITY OF CHICAGO LAW REVIEW symposium titled “Personalized Law,” Chicago, Illinois, (April 27-28, 2018)

How Criminal Law Defenses Work with Neuroscience. Talk presented at the BioLaw Lapalooza 2.0, Stanford Law School, Palo Alto, California (March 23, 2018)

Discussant. Panel on *Brain Trauma and College Athletics.* Fordham University, New York, New York (March 14, 2018)

Commentator. Post-show discussion of *Machinal* by the Hunter College Theatre Department, City University of New York, New York (March 1, 2018)

Neuroscience and Criminal Law Defenses. Talk presented at the Fordham University School of Law Center on Neuroscience and Law's symposium on "The Future of Neuroscience and Law," New York, New York (February 21, 2018)

Welcome and Introduction. Fordham University School of Law Center on Neuroscience and Law's symposium on "The Future of Neuroscience and Law," New York, New York (February 21, 2018)

Introduction to Closing Remarks by The Honorable Cathy Seibel. Introductory comments presented at the first annual Women's Leadership Institute, Fordham Law School, New York, New York (February 9, 2018)

2017

Science and the Courts. Talk presented at Judge Jed Rakoff's Seminar, Columbia University School of Law, New York, New York (November 29, 2017)

The Future of Neuroscience in the Courtroom. Talk (keynote speaker) presented at the Cognitive Science Program, Institute of Philosophy, Jagiellonian University, Krakow, Poland (November 24, 2017)

The Fordham Neuroscience and Law Center. Talk presented with a medical group invited to Fordham Law School, New York, New York (November 10, 2017)

Law-STEM Junior Faculty Forum. Commentator for two papers presented by junior faculty at the Law-STEM Junior Faculty Forum at the University of Pennsylvania Law School, Philadelphia, Pennsylvania (October 6-7, 2017)

America's Experiment with Execution Methods. Talk (keynote speaker) presented at the Annual Nardi Symposium, Saint Joseph's University, Philadelphia, Pennsylvania (October 5, 2017)

Neuroscience and Ineffective Assistance of Counsel. Talk presented at the National Conference for Pro Se Law Clerks (sponsored by the Federal Judicial Center), Charleston, South Carolina (September 8, 2017)

Criminal Law in a Nutshell. Talk presented at the Fordham Law Black Law Students Association's Legal Empowerment and Academic Development program (for students of color, students with diverse backgrounds, and non-traditional students), Fordham Law School, New York, New York (August 29, 2017)

The Latest Science of Shaken Baby Syndrome: Part II. Talk presented at the New York State Unified Court System/New York State Judicial Institute (Judicial Summer Seminars)

(statewide four-day seminars for judges of all courts), Rye Brook, New York (July 25, 2017)

The Latest Science of Shaken Baby Syndrome: Part I. Talk presented at the New York State Unified Court System/New York State Judicial Institute (Judicial Summer Seminars) (statewide four-day seminars for judges of all courts), Rye Brook, New York (June 20, 2017)

The Brain Defense: Using Neuroscience in Criminal and Civil Cases. Moderator for an American Bar Association Webinar on neuroscience in criminal and civil law cases, New York, New York (June 13, 2017)

The Culp Colloquium. Commentator for two papers presented at the Culp Colloquium at Duke Law School, Durham, North Carolina (May 18, 2017)

Empirical Approaches to Law. Moderator/commentator for a panel presented at the Fordham Law School Faculty Retreat, New York, New York (May 17, 2017)

How Courts Use Neuroscience Evidence in Criminal Cases. Talk presented at the Weaver Institute for Law and Psychiatry, University of Cincinnati conference on “The Public’s Understanding of the Brain: Neuroscience in the Courtroom,” Cincinnati, Ohio (May 12, 2017)

What Courts Expect from Attorneys Using Neuroscience Evidence in Criminal Cases. Talk (keynote speaker) presented at the *Notre Dame Journal of Law, Ethics, & Public Policy* Symposium on Mental Health, University of Notre Dame Law School, Notre Dame, Indiana (April 28, 2017)

Litigating Neuroscience Evidence in Criminal Cases. Talk presented at the Office of the New Jersey Public Defender, Newark, New Jersey (April 21, 2017)

Fordham Law School’s Neuroscience and Law Center. Talk presented at the Board of Directors Meeting, Fordham Law School, New York, New York (April 6, 2017)

The Science Behind Fordham Law School’s Neuroscience and Law Center. Talk presented at Fordham University’s Sponsored Research Day, New York, New York (April 5, 2017)

Neuroscience and Insanity. Talk presented at the Faculty Scholarship Committee’s Ten-Ten, Fordham Law School, New York, New York (April 4, 2017)

Introduction and Overview: Reconstructing Criminal Justice: Brain Dysfunction and the Courtroom. Introduction and moderating commentary presented at the “Reconstructing Criminal Justice: Brain Dysfunction and the Courtroom” CLE program, Fordham Law School, New York, New York (March 6, 2017)

Neuroscience and Insanity. Talk presented at PULSE (Program on Understanding Law, Science, and Evidence), UCLA Law School, Los Angeles, California (March 3, 2017)

Concocting Criminal Intent. Talk presented at the “Crime, Punishment, Injustice” Colloquium, Georgetown Law Center, Washington, D.C. (February 17, 2017)

Fordham’s Neuroscience and Law Center. Talk presented at Alvarez & Marsal North America, LLC, Washington, D.C. (February 17, 2017).

Bridging the Gap: A Conference on Scholarship and Criminal Justice Reform. Commentator on book chapters presented by colleagues at the Beus Center for Law and Society, Arizona State University, Phoenix, Arizona (February 10-11, 2017)

Faculty Spotlight—Contemporary Legal Issues. Talk presented at Admitted Students Day, Fordham University School of Law, New York, New York (February 3, 2017)

2016

Science and the Courts. Talk presented at Judge Jed Rakoff’s Seminar, Columbia University School of Law, New York, New York (November 30, 2016)

Concocting Criminal Intent. Talk presented at the 11th Annual Conference on Empirical Legal Studies (CELS 2016), Duke Law School, Durham, North Carolina (November 18-19, 2016)

The Future of Lethal Injection. Talk presented at the *Arkansas Law Review* symposium on “The Future of the Death Penalty,” University of Arkansas School of Law (October 21, 2016)

Remarks on the Teacher of the Year Award. Talk presented at the 22nd Annual Student Excellence Awards Ceremony, Fordham University School of Law, New York, New York (September 14, 2016)

The Willie Francis Story. Talk presented to Legal Outreach’s Summer Law Institute, Fordham Law School, New York, New York (July 26, 2016)

Reasons to Write a Note While in Law School. Talk presented at the *Fordham Urban Law Journal* Orientation, Fordham Law School, New York, New York (July 24, 2016)

Why Write a Note. Talk presented at the *Fordham Law Review*’s Orientation, Fordham Law School, New York, New York (July 23, 2016)

How Prosecutors and Defense Attorneys Use Neuroscience Differently. Talk presented at the Eighth Annual CrimFest Conference, Benjamin N. Cardozo School of Law, New York, New York (July 11, 2016)

The Problem of Malingering. Talk presented at the Office of the Georgia Capital Defender, Atlanta, Georgia (June 27, 2016)

Remarks of Appreciation for Teacher of the Year Award. Talk presented at the graduation ceremony for the Fordham Law School Class of 2016, Beacon Theatre, New York, New York (May 23, 2016)

The Economics of Rape. Talk presented at the concurrent session for the 2016 Annual Fordham Law School Scholarship Retreat, New York, New York (May 19, 2016)

Neuroscience and Law: An Overview. Talk presented at Yale University (for an introductory psychology class), New Haven, Connecticut (April 14, 2016)

Neuroscience and Criminal Law Doctrine and Theory. Commentator and panelist discussing book chapters presented by Professor Peter Alces as part of the 2015-2016 Buffalo Criminal Law Center Colloquium series, SUNY Buffalo Law School, Buffalo, New York (April 1, 2016)

Concocting Criminal Intent. Talk presented at the Markelloquim, Brooklyn Law School, Brooklyn, New York (March 28, 2016)

Glossip and Lethal Injection. Talk presented at the Harvard Health Law Society panel on “Capital Punishment and the Eighth Amendment,” Harvard Law School, Cambridge, Massachusetts (March 22, 2016)

Sentencing and Neuroscience. Talk presented on “Sentencing Law in Canada” sponsored by the Canadian Institute for the Administration of Justice, Montreal, Canada (March 18, 2016)

How Prosecutors and Defense Attorneys Use Neuroscience Differently. Talk presented at the Fordham Law Review symposium on “Criminal Behavior and the Brain: When Law and Neuroscience Collide,” Fordham Law School, New York, New York (February 26, 2016)

The Firing Squad as a “Known and Available Method of Execution” Post-Glossip. Talk presented at the *University of Michigan Journal of Law Reform*’s symposium on “At A Crossroads: The Future of the Death Penalty,” The University of Michigan School of Law, Ann Arbor, Michigan (February 6, 2016)

The Supreme Court and the Future of Lethal Injection. Panelist talk presented at the 2016 Annual Meeting of the Association of American Law Schools, New York, New York (January 10, 2016)

The Economics of Rape. Panelist talk presented at *Violence Against Women*, as part of the 2016 Annual Meeting of the Association of American Law Schools, New York, New York (January 9, 2016)

2015

America's Experiment with Execution Methods. Talk presented at the Columbia University Seminar on Death—The Death Penalty. Columbia University, New York, New York (December 9, 2015)

Concocting Criminal Intent. Talk presented at the 2015-2016 Buffalo Criminal Law Center Colloquium series, SUNY Buffalo Law School, Buffalo, New York (November 20, 2015)

Science and the Courts. Talk presented at Judge Jed Rakoff's Seminar, Columbia University School of Law, New York, New York (November 4, 2015)

Launching of the Neuroscience and Law Center. Panelist talk presented at *Neuroscience and Sentencing*, as part of the launch of Fordham Law School's Neuroscience and Law Center, New York, New York (October 6, 2016)

The Case of Dudley and Stephens. Talk presented to students and their parents and partners at Family Day, Fordham University School of Law, New York, New York (September 27, 2015)

Neuroscience, Compassion, and Culpability in the Criminal Law. Panelist talk presented at *Compassion and Legal Reasoning: A Multidisciplinary Workshop*, held at the Twenty-seventh World Congress of the International Association for the Philosophy of Law and Social Philosophy (IVR), Washington, D.C. (July 31, 2015)

Glossip v. Gross. Contact presentation for the Fordham Faculty Summer Sessions on Opinions from the Supreme Court, Fordham University School of Law, New York, New York (July 15, 2015)

The Willie Francis Story. Talk presented to Legal Outreach's Summer Law Institute, Fordham Law School, New York, New York (July 9, 2015)

Neuroscience for Legal Decision Makers. Panelist talk presented at *Science in the Courtroom*, the 2015 Advanced Judicial Academy, University of Illinois College of Law, Champaign, Illinois (June 10, 2015)

Concocting Criminal Intent. Concurrent session at the 2015 Annual Fordham Law School Scholarship Retreat, New York, New York (May 19, 2015)

Genetics and Attributions of Responsibility. Panelist talk presented at the Center for Research on the Ethical, Legal and Social Implications of Psychiatric, Neurologic and Behavioral Genetics, Columbia University Medical Center, New York, New York (May 12, 2015)

Lead Poisoning and Violence. Talk presented at *Lead Poisoning: Causes, Practices, and Implications*, as part of the Annual New Jersey Childhood Lead Poisoning Prevention Conference, Edison, New Jersey (May 6, 2015)

The Paradox of “Humane” Execution: The Future of Lethal Injection. Panelist talk presented at Yale Law School, New Haven, Connecticut (March 30, 2015)

Medical Genetics, Law and Ethics: “My Genes Made Me Do It” Defense. Panelist talk presented at the 2015 Annual Conference of the Canadian Institute for the Administration of Justice, Toronto, Canada (March 27, 2015)

Special Topics in Sentencing and Corrections. Panelist talk presented at the 2015 Annual Conference of the American Psychology-Law Society, San Diego, California (March 20, 2015)

The Myth of the Double-Edged Sword: An Empirical Study of Neuroscience Evidence in Criminal Courts. Talk presented at the University of Texas School of Law, Austin, Texas (March 2, 2015)

Cognition and Criminality: Sociolegal Implications of Neuroscience. Panelist talk presented at the Rebellious Lawyering Conference (RebLaw) 2015, Yale Law School, New Haven, Connecticut (February 21, 2015)

2014

An Empirical Study of Neuroscience Evidence in Criminal Courts. Talk presented at the Fordham University School of Law “Ten-Ten,” New York, New York (December 16, 2014)

The Challenge Neuroscience Poses to Embedded Principles and Longstanding Notions in the Law. Panelist talk presented at the “Neuroscience in the Courtroom” conference, Fordham University School of Law, New York, New York (November 20, 2014)

Science and the Courts. Talk presented at Judge Jed Rakoff’s Seminar, Columbia University School of Law, New York, New York (November 19, 2014)

The Death Penalty Today: Lethal Injection Issues. Panelist talk presented at the 2014 Allen Chair Symposium, “Lethal Injection, Politics, and the Future of the Death Penalty,” University of Richmond School of Law, Richmond, Virginia (October 24, 2014)

Taz and Neuroscience. Talk presented at “The Tazlitz Galaxy: A Gathering of Scholars at Howard,” Howard University School of Law, Washington, D.C. (September 19, 2014)

The Myth of the Double-Edged Sword: An Empirical Study of Neuroscience Evidence in Criminal Courts. Faculty workshop at Pace University School of Law, New York, New York (September 17, 2014)

Capital Punishment, Stop and Frisk. Panelist on “Supreme Court Review,” Fordham University School of Law, New York, New York (September 16, 2014)

Behavioral Genetics and Criminal Sentencing Across Two Decades. Talk and plenary workshop presented at the 27th Annual Conference of the International Society for the Reform of Criminal Law, Vancouver, BC, Canada (June 26, 2014)

County-Level Punitiveness and State Prison Growth: Some (Very) Preliminary Thoughts. Commentator on paper authored by Professor John Pfaff, Seventh Annual Fordham Law School Scholarship Retreat, New York, New York (May 12, 2014)

Behavioral Genetics Evidence in Criminal Cases: 1994-2011. Talk presented at the 2014 Annual Meeting of the American Psychiatric Association, New York, New York (May 4, 2014)

A Conversation on Neuroscience and Culpability in the Criminal Law. Talk presented at the conference on “Comparative Conversation on Causation and Culpability in the Criminal Law,” Buffalo Criminal Law Center, SUNY Buffalo Law School, Buffalo, New York (May 2, 2014)

Neuroscience and Dangerousness. Talk presented at Loyola University Chicago School of Law’s conference on “Sentence Structure: The Elements of Punishment,” Chicago, Illinois (April 4, 2014)

Issues Relating to Lethal Executions and Lethal Injections. Talk presented at the Stein Scholars Brown-Bag Lunch, Fordham University School of Law, New York, New York (March 11, 2014)

New Opportunities Presented by Emerging Neuroscience Research: A Presentation and Discussion. Talk presented at the meeting of the Funders for Alternatives to the Death Penalty (FADP) Research Group, Newport Beach, California (January 31, 2014)

2013

Stand-Your-Ground Laws. Panelist on “The Trayvon Martin Case and “Stand-Your-Ground” Laws,” Renaissance Weekend, Charleston, South Carolina (December 30, 2013)

Respondent, *Edward Snowden: Traitor or Whistleblower?* Panelist on Edward Snowden, Renaissance Weekend, Charleston, South Carolina (December 29, 2013)

Basics of Lethal Injection Litigation. Talk presented at a panel on *Defending Prisoners' Rights* at Renaissance Weekend, Charleston, South Carolina (December 29, 2013)

The New World of Lethal Injection. Talk presented at Fairleigh Dickinson University, Madison, New Jersey (December 4, 2013)

Lethal Injection Chaos. Talk presented at Washington & Lee University School of Law, "Advanced Criminal Law and Procedure Workshop," Lexington, Virginia (October 31, 2013)

Discussant, *Capital Punishment in Connecticut, 1973-2007* (article authored by Professor John J. Donohue III), Conference on Empirical Legal Studies 2013, University of Pennsylvania, Philadelphia, Pennsylvania (October 26, 2013)

Fordham Faculty Scholar Spotlight Series. Talk presented at Fordham Law School, New York, New York (October 9, 2013)

Genetics: Overview of U.S. Criminal Law. Talk presented at the University of Padova's (Italy) conference on "Genetics, Robotics, Law, Punishment," Padova, Italy (September 30, 2013)

Treating the Criminal Offender Brain. Can We? Should We? Workshop and discussion at the Robina Institute, University of Minnesota School of Law, Minneapolis, Minnesota (September 27-28, 2013)

Law and Neuroscience. Talk and panel presented at the Loyola University Chicago, Department of Criminal Justice and Criminology Colloquium entitled "Brain Matters: Neuroscience in Criminal Law and Policy," Chicago, Illinois (September 26, 2013)

The Willie Francis Story. Talk presented to Legal Outreach's Summer Law Institute, Brooklyn Law School, Brooklyn, New York (July 17, 2013)

Update on Lethal Injection Challenges. Talk presented at the New York City Bar Association's Annual Capital Punishment Habeas Corpus CLE Program, New York City Bar Association, New York, New York (July 15, 2013)

Changing Selves: Direct Brain Interventions to Treat Disfavored Human Behaviors. Workshop and discussion presented at Stanford Law School, Stanford, California (May 17, 2013)

The Death Penalty: More Inhumane Executions? Talk presented at the Public Interest Resource Center, Fordham University School of Law, New York, New York (April 9, 2013)

Faculty Spotlight: Contemporary Legal Issues. Talk presented at Admitted Students Day, Fordham University School of Law, New York, New York (March 3, 2013)

Genetic Testing for Mental Disorders: Science-Based Mitigation. Talk presented at the National Association of Criminal Defense Lawyer's 2013 Midwinter Meeting & Seminar entitled, "Reasonable Doubt and Actual Innocence: Winning Your Case with Cutting-Edge Science," Washington, D.C. (February 22, 2013)

The Place for Neuroscience in the Criminal Law. Talk and workshop presented at the Southern Methodist University Dedman School of Law, Dallas, Texas (February 13, 2013)

Behavioral Genetics. Panel presentation at Hastings Law School, conference on "From Bench to Society: Law and Ethics at the Frontier of Genomic Technology," San Francisco, California (February 8, 2013)

How Neuroscience Can Help Us Punish Criminals More Fairly and Effectively. Lecture presented at the Hoffinger Criminal Justice Colloquium, Center for Research in Crime and Justice, New York University School of Law, New York, New York (January 28, 2013)

2012

Science and the Courts. Talk presented at Judge Jed Rakoff's Seminar, Columbia University School of Law, New York, New York (December 5, 2012)

Lethal Injection: The Canary in the Mind Shaft of the Death Penalty. Talk presented at Fairleigh Dickinson University's Public Mind Poll, Madison, New Jersey (December 3, 2012)

Crime and Punishment: The Use and Failure to Use Behavioral Genetics Evidence at Trial. Talk presented at Fordham University's "Growing Research at Fordham," New York, New York (November 28, 2013)

Genetics and the Death Penalty. Talk presented at the 2012 Annual Meeting of the American Society of Criminology, Chicago, Illinois (November 16, 2012)

Discussant, *The House I Live In* (documentary), Forum on Law, Culture & Society, 2012 Fordham Law Film Festival, Fordham University School of Law, New York (October 20, 2012)

The Chaos of Lethal Injection Post-Baze. Talk presented at the Fordham University School of Law "Ten-Ten," New York, New York (October 3, 2012)

Changing Law's Mind: How Neuroscience Can Help Us Punish Criminals More Fairly and Effectively. Talk presented at the University of Richmond School of Law, Richmond, Virginia (Emroch Faculty Colloquy Series) (September 28, 2012)

Neuroscience and the Shifting Psychology of Criminal Justice. Talk and paper presented at the *Law and Neuroscience* conference at the Rutgers Institute for Law and Philosophy, Rutgers-Camden University School of Law, Camden, New Jersey (September 7, 2012)

Courts' Increasing Consideration of Behavioral Genetics Evidence: Results of a Longitudinal Study, Talk and paper presented at the Fordham University School of Law Faculty Retreat, New York, New York (May 24, 2012)

Special Problems. Talk presented at the American Law Institute's meeting on the "Proposed Revision of MPC Article 213 - Rape and Related Offenses," New York, New York (May 7, 2012)

Courts' Increasing Consideration of Behavioral Genetics Evidence: Results of a Longitudinal Study, Paper presented at the Criminal Law Roundtable, Columbia University School of Law, New York, New York (May 6, 2012)

Science and the Courts. Talk presented at Judge Jed Rakoff's Seminar, Columbia University School of Law, New York, New York (April 18, 2012).

Faculty Spotlight - Contemporary Legal Issues. Talk presented at Admitted Students Day, Fordham University School of Law, New York, New York (April 15, 2012)

Lethal Injection Today. Talk presented at the *Feature Roundtable: The Future of Capital Punishment in the United States*, Annual Meeting of the Academy of Criminal Justice Sciences, New York, New York (March 15, 2012)

Panel Moderator, *The Effect of the Supreme Court's Gun Control Restrictions on Crime Rates*, Fordham Urban Law Journal Symposium, *Gun Control and the Second Amendment: Developments and Controversies in the Wake of District of Columbia v. Heller and McDonald v. Chicago*, Fordham University School of Law, New York, New York (March 9, 2012)

Developments in Lethal Injection. Talk presented at Skadden, Arps, Slate, Meagher & Flom, New York, New York (March 2, 2012)

The Future of Lethal Injection: Chaos After Baze v. Rees. Talk presented at the 2012 *Miami Law Review* Symposium on the "Future of the Death Penalty in America," Miami, Florida (February 17, 2012)

2011

Academy: "Traditional" Values. Talk presented at panel at Renaissance Weekend, Charleston, South Carolina (December 31, 2011)

What Today's Supreme Court is Facing and Thinking. Talk presented at panel at Renaissance Weekend, Charleston, South Carolina (December 30, 2011)

Why the Criminal Law Needs Neuroscience. Talk presented at the 2011 Annual Meeting of the American Society of Criminology, Washington, D.C. (November 18, 2011)

Changing Law's Mind. Talk presented at the Institute for Law and Philosophy, University of San Diego School of Law, panel on "Neuroscience and the Law", San Diego, California (September 16, 2011)

Panel Discussant, *A Reasonable Doubt?* (part of a group reviewing Michael Verhoeven's documentary, "A Reasonable Doubt"), NYIT Cinema, New York, New York (June 23, 2011)

Lethal Injection: Cutting-Edge Developments, Talk presented at Admitted Students Day, Fordham University School of Law, New York, New York (June 21, 2011)

The Economics of Rape. Talk presented at the Fordham Law School Scholarship Retreat, New York, New York (May 31, 2011)

Genetics and the Death Penalty. Talk presented at Michigan State University College of Law for the symposium, "Moving Beyond Racial Blindsight: The Influence of Social Science Evidence after the North Carolina Racial Justice Act," East Lansing, Michigan (April 8, 2011)

Commentator, *Lethal Injection: The Medical Mechanics of Implementing Capital Punishment,* Death Penalty Awareness Project, Fordham Law School, New York, New York (April 5, 2011)

Should Physicians Participate in Executions? Talk presented at the Yeshiva University Student Medical Ethics Society, Yeshiva University, for the panel "Executing the Hippocratic Oath," New York, New York (March 24, 2011)

The Enduring Impact of Lethal Injection Challenges. Talk presented at Vermont Law School, the Eleventh Annual Symposium of the *Vermont Law Review* on "New Perspectives on Capital Punishment," South Royalton, Vermont (February 11, 2011)

2010

How the Law Thinks: Can Neuroscience Make Punishment More Fair? Talk presented at Syracuse University College of Law, Syracuse, New York, (January 20, 2011)

Behavioral Genetics Evidence in Modern Criminal Cases. Talk presented at the Center for Research on the Ethical/Legal/Social Implications (ELSI) of Psychiatric, Neurologic, and

Behavioral Genetics, Department of Psychiatry, Columbia University College of Physicians and Surgeons, New York, New York (December 16, 2010)

How the Law Thinks: Can Neuroscience Make Punishment More Fair? Talk presented at Fordham University School of Law, New York, New York (December 9, 2010)

Applying Criminology to Criminal Law Problems. Talk presented at the Jerry Lee Center of Criminology, University of Pennsylvania, Philadelphia, Pennsylvania (October 6, 2010)

Commentator, *The Durability of Prison Populations* (article authored by Professor John Pfaff), Fordham Law School Scholarship Retreat, New York, New York (May 26, 2010)

How the Law Thinks: Why Outmoded Views of Mental State Affect Our Ability to be Just. Talk presented at Fordham Law School, New York, New York (April 20, 2010)

Resweber and Beyond. Talk presented at the University of Houston Law Center, Criminal Justice Institute, *Criminal Law at the Cutting Edge*, Leading Voices Lecture Series, Houston, Texas (March 29, 2010)

How the Law Thinks: Why Outmoded Views of Mental State Affect Our Ability to be Just. Talk presented at Cornell University School of Law, Ithaca, New York (March 12, 2010)

Capital Coverage. Talk presented at the S.I. Newhouse School of Public Communications, Syracuse University, Syracuse, New York (March 5, 2010)

Consciousness and Culpability in American Criminal Law. Talk presented at Florida State College School of Law, Tallahassee, Florida (February 18, 2010)

2009

For Execution Methods Challenges, the Road to Abolition is Paved with Paradox. Talk presented at Harvard University for the conference entitled, “Confronting Legal Injustice/Imagining Legal Justice,” co-sponsored by the Charles Hamilton Houston Institute for Race and Justice, Amherst College’s Charles Hamilton Houston Forum on Law and Social Justice, and NYU Press, Cambridge, Massachusetts (November 6, 2009)

Panel Moderator, *Women Who Kill Their Batterers*, Fordham Domestic Violence Action Center, Fordham University School of Law, New York, New York (October 29, 2009)

Imaging of Intention, Implications for Responsibility. Talk presented at the University of Pennsylvania “Neuroscience Boot Camp,” Center for Neuroscience & Society, University of Pennsylvania, Philadelphia, Pennsylvania (August 4, 2009)

Supreme Court Review: 2008 - 2009 Criminal Law and Habeas Corpus Developments. Talk presented at the New York City Bar program on “Supreme Court: A Year in Review,” New York, New York (July 21, 2009)

Consciousness and Culpability in American Criminal Law. Talk presented at Waseda University, Tokyo, Japan (June 19, 2009)

American Criminal Justice in Perspective. Talk presented at Aoyama University, Tokyo, Japan (June 19, 2009)

Consciousness and the Law. Talk presented at the program “Toward a Science of Consciousness 2009: Investigating Inner Experience, Brain, Mind and Technology,” Hong Kong, China (June 11, 2009)

The Long and Winding Road. Talk presented at the University of Virginia (Reunion Weekend), Charlottesville, Virginia (June 6, 2009)

Being Partial to Partial Defenses. Talk presented at Texas Tech School of Law’s Symposium on “Excuses,” Lubbock, Texas (April 4, 2009)

Changing Perspectives on Consent, Talk presented at the *Michigan Journal of Gender & Law* Symposium on “Rhetoric and Relevance: An Investigation Into the Present and Future of Feminist Legal Theory,” University of Michigan School of Law, Ann Arbor, Michigan (February 13, 2009)

The Eighth Amendment Backdrop of Baze v. Rees. Talk presented at the University of Tennessee-College of Law, *Tennessee Law Review* Symposium on the Death Penalty, Knoxville, Tennessee (February 7, 2009)

2008

When Willie Francis Died: The “Disturbing” Story Behind One of the Eighth Amendment’s Most Enduring Standards of Risk. Talk presented at Fordham University School of Law, New York, New York (October 30, 2008)

The Supreme Court and the Ethical, Medical, and Legal Challenges to Execution by Lethal Injection. Talk presented at the American Society for Bioethics and Humanities Annual Meeting, Cleveland, Ohio (October 23, 2008)

The Death Penalty in Modern Society. Talk presented at the University of Pennsylvania School of Law, Philadelphia, Pennsylvania (October 23, 2008)

When Willie Francis Died: The “Disturbing” Story Behind One of the Eighth Amendment’s Most Enduring Standards of Risk. Talk presented at Boston College Law School, Newton, Massachusetts (October 17, 2008)

The U.S. Criminal Justice System. Lecture presented at the Fordham Law Summer Institute in New York City, Fordham Law School, New York, New York (July 29, 2008)

Accidents, Incidents, and the “Inescapable Consequence of Death”: The Impact of Baze v. Rees on the Lethal Injection Debate. Talk presented at the Annual Habeas Corpus Training Seminar, Capital Punishment Committee, New York City Bar Association, New York, New York (June 26, 2008)

Should Physicians Participate in Lethal Injection Executions? A Legal-Medical Dilemma. Talk presented at the *Health, Law, Ethics and Society* colloquium series, Columbia University School of Law, New York, New York (March 12, 2008)

The Status of Lethal Injection Litigation: An Overview. Talk presented at the Fordham Urban Law Journal Symposium, *The Lethal Injection Debate: Law and Science*, Fordham University School of Law, New York, New York (March 8, 2008)

Panel Moderator, *What Happens Behind Closed Doors: Personal Accounts of Executions.* Fordham Urban Law Journal Symposium, *The Legal Injection Debate: Law and Science*, Fordham University School of Law, New York, New York (March 7, 2008)

Eighth Amendment Secrets: A Historical Look at the Lethal Injection Debate. Talk presented at the University of Pennsylvania School of Law, Tenth Anniversary Symposium of the *University of Pennsylvania Journal of Constitutional Law*, *Cruel and Unusual Punishment: Litigating Under the Eighth Amendment*, Philadelphia, Pennsylvania (February 16, 2008)

The Twilight Years of the Death Penalty. Talk presented at Harvard Law School, the Charles Hamilton Houston Institute for Race and Justice, as part of the *Road to Abolition* book project, Cambridge, Massachusetts (February 15, 2008)

Constitutional (Non)Compliance?: A Legal and Legislature History of Judicial Execution by Lethal Injection. Talk presented at the Columbia University Center for Bioethics Symposium, *The Supreme Court and the Legal, Medical, and Ethical Challenges to Execution by Lethal Injection*, New York, New York (January 23, 2008)

Panel Member, *New England Journal of Medicine* Lethal Injection Roundtable, Video on Lethal Injection, Boston, Massachusetts (January 14, 2008)

Looking Back: The History of Lethal Injection. Talk presented at the Death Penalty Information Center Briefing (for Media), Old Ebbitt Grill, Washington, D.C. (January 4, 2008)

2007

De-romanticizing Depression, Dementia (And Other Issues of the Heart . . . and Mind). Talk presented at the Renaissance Weekend 81 Colloquium, Charleston, South Carolina (December 31, 2007)

Where We Go From Here: Thinking About Law/Med/Grad/B School/Int' Exchange Program - What to Know, Where to Go, How to Get There. Talk presented at the Renaissance Weekend 81 Colloquium, Charleston, South Carolina (December 30, 2007)

Observations on Life and Death. Talk presented at the Renaissance Weekend 81 Colloquium, Charleston, South Carolina (December 29, 2007)

Roberts' Nine: How 'So Few Have So Quickly Changed So Much.' Talk presented at the Renaissance Weekend 81 Colloquium, Charleston, South Carolina (December 29, 2007)

Panel Member, Moot for *Baze v. Rees*, New York University School of Law, New York, New York (December 18, 2007)

The Lethal Injection Quandary: How Medicine Has Dismantled the Death Penalty. Talk presented at New York University School of Law, New York, New York (November 13, 2007)

When Willie Francis Died. Paper presented at the University of Texas School of Law symposium on *Capital Punishment Stories: Perspectives and Retrospectives on Landmark Death Penalty Cases*, sponsored by the Capital Punishment Center and the William Wayne Justice Center for Public Interest Law, Austin, Texas (November 3, 2007)

Panel Moderator, *Jena 6: Race and the Criminal (In)justice System*, Stein Scholars Program, Fordham University School of Law, New York, New York (October 24, 2007)

Group Member, Research Affinity Group, Open Society Institute, New York, New York (July 12-13, 2007)

The Current State of Lethal Injection Litigation. Talk presented at Widener College of Law, Wilmington, Delaware (April 26, 2007)

Legal Implications of Research on Genetics and Crime. Talk presented at the Cleveland Marshall College of Law, Cleveland, Ohio (April 5, 2007)

The Mysteries of Mens Rea in Clark v. Arizona. Talk presented at the 2007 Annual Meeting of the Association of American Law Schools, Washington, D.C., in the panel on *Insanity and Beyond: Current Issues in Mental Disability and Criminal Justice* (January 5, 2007)

2006

Danger Zone - Biology, Violence and Keeping Kids Safe on the Internet. Talk presented at the Renaissance Weekend 76 Colloquium, Charleston, South Carolina (December 30, 2006)

Behind the Headlines, Talk presented at the Renaissance Weekend 76 Colloquium, Charleston, South Carolina (December 30, 2006)

Discussant, *The Accused*, First Annual Fordham Law Film Festival, Fordham University School of Law, New York, New York (October 22, 2006)

How Medical Participation and Procedures Have Changed the Face of Executions. Talk presented at the School of Criminal Justice, State University of New York, University at Albany, symposium on *The Next Generation for Death Penalty Research: Priorities, Strategies, and An Agenda*, Albany, New York (October 7, 2006)

Panel Moderator, *The Crises in Indigent Criminal Defense: National and New York Perspectives and Recommendations for Change*, the Public Interest Resource Center, Stein Scholars Program, and Drug Policy Reform Project, Fordham University School of Law, New York, New York (September 14, 2006)

The Law and Science of Human Consciousness. Paper presented at the Center for Cognitive Neuroscience, University of Pennsylvania, Philadelphia, Pennsylvania (April 27, 2006)

Mental State Across Ten Centuries: 1235-2005. Paper presented at the Faculty Workshop Series, Fordham University School of Law, New York, New York (March 30, 2006)

The Origins of Mental State: Legal and Cultural Developments Across Ten Centuries. Paper presented at the Law Faculty of the University College London Colloquium on *Law, Mind and Brain*, sponsored by the Law Faculty of University College London and the Gruter Institute for Law & Behavioral Research, London, United Kingdom (February 13, 2006)

Mental State Across Ten Centuries of English Law: 1235-2005. Paper presented at the Law Department, London School of Economics, London, United Kingdom (February 1, 2006)

2005

Biological Perspectives on Crime. Paper presented at the Fifty-Seventh Annual Meeting of the American Society of Criminology, Toronto, Canada (November 17, 2005)

Criminal Law in a Post-Freudian World. Paper presented at the Frances Lewis Law Center Faculty Workshop, Washington and Lee University School of Law, Lexington, Virginia (October 31, 2005)

Justice Stevens and the Eighth Amendment: Questioning the Constitutionality of Lethal Injection. Paper presented at the Fordham University School of Law Symposium on *The Jurisprudence of Justice Stevens*, New York, New York (September 30, 2005)

The Inexpert "Expert" in Insanity Defense Cases Involving Infanticide. Paper presented at the Annual Meeting of the American Psychiatric Association, Atlanta, Georgia (May 26, 2005)

Litigating Criminal Cases with Genetics Research. Paper presented at the American Civil Liberties Union, New York, New York (May 20, 2005)

Panel Moderator, *Legal Advocacy on Film.* The Fordham Law School and Volunteer Lawyers for the Arts Symposium on *Documentaries and the Law*, Fordham University School of Law, New York, New York (May 5, 2005)

Is There A Place for Biological Evidence in Criminal Law? Talk presented at the Arizona State University College of Law Symposium on *Abnormal Brains and Criminal Responsibility: Implications of Neuroscience for Criminal Culpability and Sentencing*, sponsored by the Center for the Study of Law, Science & Technology, Arizona State University College of Law, Tempe, Arizona (April 29, 2005)

The Legal Link Between Genetics and Crime: Vile or Viable? Paper presented at the Duke University School of Law Symposium on *The Impact of Behavioral Genetics on Criminal Law* sponsored by The Institute of Genome Sciences and Policy's Center for Genomics Ethics, Law, and Policy, Durham, North Carolina (April 9, 2005)

Research in Criminology: the Past at Penn to the Present World. Talk presented at the Jerry Lee Center of Criminology, University of Pennsylvania, Philadelphia, Pennsylvania (April 1, 2005)

The Development of Conscious Awareness in Juveniles: Implications for Interpreting Mens Rea. Paper presented at the Ohio State University Michael E. Moritz College of Law Symposium on *The Mind of a Child: The Relationship Between Brain Development, Cognitive Functioning, and Accountability Under the Law*, Columbus, Ohio (March 10, 2005)

Panel Moderator, *On Patrol: The Police's Role.* The *Fordham Urban Law Journal* Symposium on Post-911 Cities: The Terrorist Threat and Its Implications for Planning and Policing Urban Areas, Fordham University School of Law, New York, New York (February 24, 2005)

The Role of Genetics in Criminal Law. Talks presented at the William and Mary Marshall-Wythe School of Law, Williamsburg, Virginia (February 23, 2005)

Genetics of Criminal and Antisocial Behavior. Paper presented at the Faculty Workshop, Fordham University School of Law, New York, New York (February 3, 2005)

2004-2003

Panel Moderator, *Rape Shield Laws and High Profile Cases: The Unraveling of the Kobe Bryant Trial*, Columbia University School of Law, New York, New York (November 10, 2004)

Panel Moderator, *Can We Craft A Death Penalty Statute With A Tolerably Low Rate of Error?*, The Stein Scholars Criminal Justice Interest Group, Fordham University School of Law, New York, New York (October 27, 2004)

How the Andrea Yates Case Should Change the Insanity Defense in the United States. Paper presented at the Marcé Society International Biennial Scientific Meeting, Oxford, United Kingdom (September 24, 2004)

A Mind to Blame: Exploring the Link Between Crime and Consciousness. Paper presented at the "Toward a Science of Consciousness: 2004 (Tucson VI)," sponsored by the Center for Consciousness Studies, University of Arizona, Tucson, Arizona (April 10, 2004)

Criminal Law in a Post-Freudian World. Paper presented at the Faculty Workshop, Fordham University School of Law, New York, New York (March 11, 2004)

A Mind's Eye on Mens Rea: How New Research on Psychology Should Change Our Concept of Intent. Paper presented at the Faculty Workshop, Hofstra University School of Law, New York, New York (March 8, 2004)

Pro bono Death Penalty Work, The Stein Faculty Pro bono Workshop Series, Fordham University School of Law, New York, New York (October 7, 2003)

Panel Moderator, *Criminal Law: Internet Child Pornography*, Stein Scholars Roundtable, Fordham University School of Law, New York, New York (October 1, 2003)

Panel Moderator, *Identity Theft*, 2003 Meeting of the New York/Tri State Sisters in Crime, Fordham University School of Law, New York, New York (September 20, 2003)

Discussant, *Neuroscience and the Law Workshop*, hosted by the American Association for the Advancement of Science and the Dana Foundation, Washington, D.C. (September 12-13, 2003)

Rethinking Criminal Intent with New Cognitive Research. Paper presented at the 2003 Annual Meeting of the Law & Society Association, Pittsburgh, Pennsylvania (June 7, 2003)

Panel Moderator, *The Changing Meaning of Mens Rea*, 2003 Annual Meeting of the Law & Society Association, Pittsburgh, Pennsylvania (June 7, 2003)

The Andrea Yates Case: Moms Who Kill Their Children. Paper presented at the New York Society for the Psychological Study of Social Issues, Fordham University, New York, New York (April 25, 2003)

The Law and Science of Human Consciousness. Paper presented at the Jerry Lee Center of Criminology, University of Pennsylvania, Philadelphia, Pennsylvania (April 17, 2003)

Who Is Andrea Yates? A Short Story About Insanity. Paper presented at the Faculty Workshop, Fordham University School of Law, New York, New York (March 27, 2003)

The Foundations of Mens Rea: A Revision. Paper presented at the Association for the Study of Law, Culture, and the Humanities Sixth Annual Conference, Cardozo Law School, New York, New York (March 7, 2003)

Panel Moderator, *Beyond the Sentence: Post-Incarceration Legal, Social, and Economic Consequences of Criminal Convictions: Impact on Communities*, Twelfth Annual Symposium on Contemporary Urban Challenges, Fordham University School of Law, New York, New York (February 20, 2003)

Overhauling the Model Penal Code's Rape Provision. Paper presented at the 2003 Annual Meeting of the Association of American Law Schools, Washington, D.C. (January 6, 2003)

Program Co-Chair, *Does the Model Penal Code Need to be Revised?*, 2003 Annual Meeting of the Association of American Law Schools, Washington, D.C. (January 4, 2003)

2002-2001

Panel Chair, *Judicial Processes*, 2002 Annual Meeting of the American Society of Criminology, Chicago, Illinois (November 16, 2002)

A Mind's Eye on Mental States. Paper presented at the Fifty-fourth Annual Meeting of the American Society of Criminology, Chicago, Illinois (November 16, 2002)

Lethally Humane? The Evolution of Execution Methods in the United States. Paper presented at the John Jay College of Criminal Justice symposium, *Equal Treatment and the Death Penalty*, New York, New York (November 11, 2002)

Panel Moderator, *Can Gun Control Work?*, The Twelfth Fordham Distinguished Lecture in Applied Social Science, Fordham University School of Law, New York (October 21, 2002) (in conjunction with the Fordham Psychology Association and the Fordham Institute)

Crime and Consciousness: The Science of Involuntary Acts. Lecture presented at the Hoffinger Criminal Justice Colloquium, Center for Research in Crime and Justice, New York University School of Law, New York, New York (April 22, 2002)

Crime and Consciousness: Science and Involuntary Acts. Paper presented at the Faculty Workshop, Fordham University School of Law, New York, New York (March 14, 2002)

Discussant, *Legal and Literary Narratives: Cousins by Contrast* (a paper presented by Professor Jerome Bruner), Spring 2002 Interdisciplinary Colloquium, *Law and Social Sciences: Violence and the Body*, sponsored by the Center for the Study of Law and Culture, Columbia University School of Law, and the Institute of Research on Women and Gender, Department of Sociology, Columbia University, New York, New York (March 5, 2002)

Consciousness and Culpability. Lecture presented at the Criminal Justice Forum, Cleveland-Marshall College of Law, Cleveland, Ohio (February 4, 2002)

Genetics and the Law. Presentation at the Fred Friendly Seminars, Inc. and the Columbia University School of Journalism, New York, New York (January 28, 2002)

New Challenges in Teaching Rape in Law Schools. Paper presented at the 2002 Annual Meeting of the Association of American Law Schools Panel, *New Perspectives on Sexual Assault*, New Orleans, Louisiana (January 6, 2002)

Making a Documentary Film. Talk prepared for the Renaissance Weekend 50 Colloquium, Charleston, South Carolina (December 30, 2001)

The Biological Basis of Personality. Talk presented at the Renaissance Weekend 50 Colloquium, Charleston, South Carolina (December 29, 2001)

Psychology and the Criminal Law - New Findings and Theories. Talk presented at the Renaissance Weekend 50 Seminar, Charleston, South Carolina (December 29, 2001)

How Psychological Research on Consciousness Can Enlighten the Criminal Law. Paper presented at the Institute of Advanced Legal Studies, University of London, London, United Kingdom (November 21, 2001)

Consciousness and Crime: Science and Involuntary Acts. Paper presented at the Columbia University School of Law Faculty Lunch Series, New York, New York (April 5, 2001)

What Execution Methods Statutes Say About the Death Penalty. Paper presented at the OHIO STATE LAW JOURNAL Symposium, *Addressing Capital Punishment Through Statutory Reform*, Columbus, Ohio (March 30, 2001)

2000-1999

Consciousness, Culpability, and Crime. Talk presented at the Grand Rounds, Woodhull Medical and Mental Health Center, Department of Psychiatry, New York, New York (December 6, 2000)

Behind the Demise of the United States Sentencing Commission's Drugs/Violence Task Force. Talk presented at Cardozo Law School, Seminar on Drug Law & Policy conducted by Professor John Hanks, New York, New York (November 16, 2000)

Consciousness and Crime: Reconsidering the Science of Involuntary Acts. Paper presented at Emory University School of Law, Atlanta, Georgia (November 8, 2000)

What's Happening Now and May Happen in the Future with DNA Evidence. Talk presented at the National Conference on Science in the Law, sponsored by the National Institute of Justice, United States Department of Justice, American Bar Association, Criminal Justice Section, American Academy of Forensic Sciences, National Center for the State Courts in collaboration with the National Academy of Sciences, San Diego, California (October 13, 2000) (summarized in 68 CRIMINAL LAW REPORTER 96-97 (November 1, 2000))

Panel Moderator, *The John W. Wade Conference on the Third Restatement of Torts: General Principles*, Vanderbilt University School of Law, Nashville, Tennessee (September 16, 2000)

Preparing Lawyers for Research on Genetics and Crime. Talk presented to the Genetics Interest Group at Vanderbilt University Medical School, Nashville, Tennessee (April 27, 2000)

Adieu to Electrocutation. Paper presented at the Claude W. Pettit College of Law, OHIO NORTHERN UNIVERSITY LAW REVIEW Symposium, *The Ultimate Penalty: A Multifarious Look at Capital Punishment*, Ada, Ohio (March 24, 2000)

Crime and Consciousness. Paper presented at the Dean's Lunch, Vanderbilt University School of Law, Nashville, Tennessee (March 21, 2000)

The Perils of Public Opinion. Paper presented at the 2000 Annual Meeting of the Association of American Law Schools, *Is Justice Just Us?*, Joint Program between the Section on Criminal Justice and the Law and the Section on Social Sciences, Washington, D.C. (January 6, 2000)

Evolutionary Psychology and the Nature of Consciousness: Further Perspectives on the Causes of Crime. Paper presented at the 1999 Annual Meeting of the American Society of Criminology, Toronto, Canada (November 17, 1999)

When Bad Things Happen to Good Intentions: The Development and Demise of a TaskForce Examining the Interrelationship Between Drugs and Violence. Paper presented at the ALBANY LAW REVIEW Symposium, Drug Crimes: Penal Jurisprudence in Punishment and Treatment, Albany, New York (November 12, 1999)

Highlights of the Current Supreme Court: Bryan v. Moore, Fordham University School of Law, New York, New York (November 1999)

Consciousness and Crime. Paper presented at the Randall-Park Colloquium, University of Kentucky College of Law, Lexington, Kentucky (October 14, 1999)

The Biological Bases of Intent. Paper presented at the 1999 Annual Meeting of the Law & Society Association, Chicago, Illinois (May 29, 1999)

Life Before the Modern Sex Offender Statutes. Paper presented at the New York University School of Law's Criminal Justice Luncheon, New York, New York (February 27, 1999)

1998-1997

The History of Sex Offender Statutes. Paper presented at the 1998 Annual Meeting of the American Society of Criminology, Washington, D.C. (November 12, 1998)

Litigating Lead Poisoning Cases. Paper presented at the 1998 Annual Meeting of the American Society of Criminology, Washington, D.C. (November 11, 1998)

Chair and Discussant, *Treatment and Release of Sex Offenders*, 1998 Annual Meeting of the American Society of Criminology, Washington, D.C. (November 1998)

Considering Lead Poisoning as a Criminal Defense. Paper presented at the New York Legal Aid Society's Training Seminar on Lead Poisoning, New York, New York (October 12, 1998)

Discussant, *Biological Factors and Crime*, 1998 Society for the Evolutionary Analysis of Law Conference, Pace University School of Law, New York, New York (October 1998)

Evolutionary Biology and Rape. Paper presented at the *Colloquium on Biology and Sexual Aggression: Investigating Theories, Data, and Implications for Law*. The Center for the Study of Law, Science and Technology, Arizona State University College of Law, Tempe, Arizona (May 22-23, 1998)

Lethal Injection and the Administration of New York's Death Penalty. Paper presented at the Conference, *The Death Penalty in New York: Law and Research in Action*, School of Criminal Justice, University at Albany, Albany, New York (April 17, 1998)

Life Before the Modern Sex Offender Statutes. Paper presented at the NORTHWESTERN UNIVERSITY LAW REVIEW Symposium, *Throwing Away the Key: Social and Legal Responses to Child Molesters*, Chicago, Illinois (April 4, 1998)

Moderator, *Contemporary Perspectives on Punitive Damages*, 1998 Brendan Moore Advocacy Center Symposium, Fordham University School of Law, New York, New York (March 1998)

Mentally Retarded Victims of Rape: The Glen Ridge Rape Case and Beyond. Paper presented at the Forty-ninth Annual Meeting of the American Society of Criminology, San Diego, California (November 19, 1997)

Panel Chair, *Perspectives on Sexual Assault*, Forty-ninth Annual Meeting of the American Society of Criminology, San Diego, California (November 1997)

The Future of Capital Punishment: 25 Years After Furman. Paper presented at the Forty-ninth Annual Meeting of the American Society of Criminology, San Diego, California (November 1997)

Biologically-Based Defenses. Talk presented at the Federal Judicial Center's training seminar for judges, *Law and Biology for Federal Judges*, Hanover, New Hampshire (September 1997) (co-sponsored by the Federal Judicial Center, Dartmouth College, The Gruter Institute, and Vermont Law School)

Sexuality, Rape, and Mental Retardation. Paper presented at the 1997 Annual Meeting of the Law and Society Association, St. Louis, Missouri (May 1997)

Discussant, *Issues in Capital Punishment*, 1997 Annual Meeting of the Law and Society Association, St. Louis, Missouri (May 1997)

The Unfamiliar Link Between Lead Poisoning and Crime. Paper presented at the Symposium, *Biology, Behavior, and the Criminal Law*, sponsored by the UNIVERSITY OF VERMONT LAW REVIEW and the Gruter Institute for Law and Behavioral Research, South Royalton, Vermont (April 1997)
