

Below are samples of the statements that will be used to evaluate your FRG application.

Reminder: Your applications will be reviewed by faculty both within and outside of your department.

1. The applicant's "Narrative" is clear and complete.
2. The amount of work proposed for the grant period (12 months) is both appropriate and realistic.
3. The budgeted items and their stated costs appear both appropriate and realistic for the project.
4. Based upon the applicant's narrative and CV, I am confident that he/she is capable of successfully completing the project as proposed.
5. Successful completion of this project and its associated outcomes would make a substantial contribution to the applicant's professional development.
6. Please provide an overall funding recommendation for this application.

The above statements are answered by ranking the applications from 1 (strongly disagree) to 5 (strongly agree).
